

Dear Parents/Guardians,

On September 8, Intramural tennis for 6/7/8th graders, and 6th grade co-ed volleyball begins. A couple of important reminders. Your child must have completed an updated 2025-2026 sports physical in order to be eligible to participate in middle school sports (***New this year, 6th graders will need a physical for ALL activities.**) In order for your child's physical to be current, it must have been completed AFTER May 1, 2025. Bozeman School District is transitioning to a new online registration platform this year, Arbiter. Similar to Dragonfly, you will need to create an account for your student, and all necessary documentation will be stored in this online platform; you WILL NOT turn in any paperwork to your child's school. A link to this new platform can be found here: <https://arbiter.io/>.

You will still pay for middle school sports via RevTrak (<https://bsd7.revtrak.net/>), and a printed receipt will be required as proof of payment. Intramural tennis and volleyball do not have game schedules, although they will play end-of-season contests, and that information will be shared out as we get closer.

Tennis will practice Monday - Thursday (SMS = BHS, CJMS = GHS); there is a bus from each school to their respective high school, but not back to the middle school. SMS will take Bus #33 or 2, and CJMS will take Bus #11. The CJMS bus will depart school at 3:20; SMS will depart at 3:45. **Tennis practices will be from 4:00-5:00. The season runs 9/8-10/10.**

Volleyball will practice Monday/Wednesday from 3:30-4:30 in the school gymnasium. Both sports do not have any requirements for equipment, but athletes are asked to dress comfortably and bring water.

2025-2026 Sports Fees are as follows (Fees are per sport):

6th Intramurals (Volleyball, Basketball, Track) - \$90

6/7/8 Tennis - \$90

Best,

Danny Waldo

Bozeman Middle School Activities Coordinator
