Union East Elementary School

CHARGERS CHATTER

September 8-12, 2025

We had a great first week of school at Union East. Our students quickly settled into their routines and learning is in full swing. We are looking forward to our first full week of school and the learning that will occur. Our students will begin their work with our new ELA curriculum, Bookworms. Most grade levels will engage with multiple texts. Be sure to ask your child what he or she read in school each day! We will also begin full math instruction using our Illustrative Mathematics curriculum. Check your child's classroom Dojo stories to see the learning in action.

- If your child is being picked up at dismissal, please send a note to your child's teacher. Students will be sent home on the school bus if we are not notified of another dismissal plan.
- We will be honoring Patriots Day on Thursday, September 11th. We encourage all children to wear patriotic clothing or red, white, and blue!
