Union East Elementary School

CHARGERS CHATTER

September 1-5, 2025

Welcome to the 2025-2026 School Year!

Welcome back to the 2025-2026 school year! We are so excited to see our students and kick off another great year. Please review a few important reminders below.

- If your child is being picked up at dismissal, please send a note to your child's teacher. Students will be sent home on the school bus if we are not notified of another dismissal plan.
- We know there are families who have recently registered who have not received their bus information yet. Please send a note in with your child with the name of who we can expect to pick your child up at dismissal.
- All individuals picking up children at dismissal MUST have photo identification to check out a student. The adult (aged 17+) must also appear as an emergency contact OR we must receive notification from a parent or guardian of an alternate adult for pick up.
- Our school nurses will be available in the morning during drop off to accept any student medication. Medication should NOT be sent with a child on the school bus. This poses a safety concern for our students. Medication must be in its original bottle and be accompanied by a doctor's order.
- If you have not already done so, please join your child's Class Dojo class. Information can be found in the School Story and you will receive regular updates from your child's teacher. Class Dojo also offers a messaging option for communication with your child's teacher.

We are excited to partner with you to make this a productive and enjoyable school year for your child. Please do not hesitate to reach out with any questions, concerns, or suggestions.

Buffalo Bills Spirit Day
Friday, September 5th
