### **Before and After School Enrichment (BASE)**

The BASE Program serves elementary students beginning at 5 years of age. BASE is an extracurricular, optional, fee-based program. Space is limited and there is often a list of families waiting for an opportunity to enroll in BASE.

Students in the BASE Program engage in a wide variety of activities and choices providing students with opportunities to create, learn and grow through arts, physical activity and academic enrichment activities during out of school time. All BASE activities allow students opportunities critical to their social emotional development. For more information about our school's BASE program, contact the BASE Site Director at 720-972-7923 or [Meridian BASE](#). For more information about the District's BASE programs, please visit the following [link](#).

### **Bicycles and Scooters**

Students riding a bike or scooter to school must take it directly to the specified bike rack area and leave it there until the student is ready to return home. For safety reasons, students are not permitted to ride their bike/scooter on school grounds. They must walk their bike/scooter to the designated bike rack area once they arrive at school. A lock is required to be used to secure bikes and scooters to the bike rack. Bicycles and scooters will not be guarded by the school at any time, so it is the student's responsibility to lock the bike/scooter up safely.

### **Birthdays and Celebrations**

In support of the District's Policy on School Wellness, we strive to help our students make healthy lifestyle choices. Simple steps can help children continue making healthier choices as adults. In addition to healthier lunch choices and increased physical activity during our school day, we have implemented a "Non-food birthday treats" policy. Classroom teachers will share their non-food birthday celebration information with parents. We appreciate your support in this matter!

### **Birthday Invitations**

We understand that school is the easiest place to distribute birthday invitations; however, doing so can cause many hurt feelings which disrupt the learning environment. Please have students pass out any party invitations after school is dismissed.

### **Communication**

Generally, students will bring home a Friday Folder each week with information and work to complete and/or review. Teachers will often communicate via email to update families about class/grade level events and information specific to your student. Additionally, the school will send out school-wide emails on Fridays each week to update families of school activities, events and important information. Please be sure to monitor your email ensure your email address is up to date in Infinite Campus so you see these important messages.

Students will not be allowed to use the office phone to make after school social arrangements. Students will be allowed to use the phone only in the following situations:

- When requested by their teacher
- When requested by an administrator

- When requested by the health aide, nurse or office staff

School office staff will only deliver emergency messages to students. Please assist us by making arrangements for after school pick-up and daycare prior to your child leaving for school in the morning. Response to parent phone calls/emails will be made within one business day.

### **Communication with your student's teacher**

Although teachers have telephones located in their classrooms, they have been directed to keep their ringers turned off during instructional time. If you want to reach your child's teacher, you may do the following:

- Call the classroom teacher and leave a voicemail. Teachers have been asked to check voicemail before and after school, and over their lunch break.
- You may call the office, and they will deliver messages to your student's teacher at the end of the day.
- You may call the classroom teacher before or after school.

You may also reach your student's teacher via email. Your student's teacher will provide you with the teacher's email address, and you may email them at your convenience. You may expect to hear back from them within one business day.

### **Early Departure/Late Arrival**

Students who must leave school during regular school hours must be signed out through the office by a parent or legal guardian. A student may not be dismissed from their classroom until the parent/guardian has checked in at the office with their ID and signed the student out. Students cannot be released to leave school alone. Students are involved in instruction until the end of the school day.

We request that you do not pick your students up early unless it is extremely necessary. Students who arrive late to school must check in at the office. If the student arrives after 7:50 a.m., they must check-in at the front office.

### **Field Trips**

Field trips to nearby points of interest may be scheduled by various classroom teachers throughout the school year. These trips are designed to supplement different aspects of the classroom curriculum and to introduce students to resources within the community. Parents will receive notice of scheduled field trips well in advance. Parents must sign a permission form for all field trips. Students without a permission slip will not be allowed to accompany their class on the field trip.

### **Inclement Weather/School Closure**

Information on emergency school closures due to severe overnight storms or other emergency situations is available on local television stations, via text alert and by email. Information on closures may also be obtained by calling the District information number at 720-972-4000, then press 7 for school closure information or check the District website: [www.adams12.org](http://www.adams12.org). You can also sign up for text alerts by texting "Yes" to 67587. Please note that school is rarely canceled.

Indoor Recess will be called if:

- snow, rain or sleet is falling
- temperature with the wind chill is 20 degrees or less
- playground conditions are poor (mud, snow or standing water)

Students must be prepared for all types of weather. They should bring warm coats, gloves or mittens, hats, weatherproof footwear and an extra pair of shoes for PE.

### **Lost and Found/Valuables at School**

If your child misplaces an item, we encourage you and the student to look in the lost and found in the cafeteria. Often it is difficult to identify what they have lost. Please label coats, jackets, mittens, etc. Items remaining in our lost & found are donated to a local charity several times a year.

We highly discourage students from bringing valuables and toys to school. Items having value for one individual usually have an attractive appeal for others and unfortunately sometimes disappear. The school cannot be responsible for these items. Teachers may have a special celebration which allows students to bring in a favorite game, stuffed animal, etc. but please remember, at no time is it appropriate for students to bring toy guns, toy knives, or toy weapons of any kind.

### **Pets on School Property**

In an effort to keep our school feeling safe for all students and families and in accordance with District Policy, only service animals and therapy dogs are permitted on school property. District Policy requires prior authorization from the principal to have a therapy dog on school property. We ask that all other pets remain off school grounds during school hours. We appreciate your cooperation with this request.

### **Physical Education**

Students will be provided opportunities to engage in physical education (P.E.) classes. If a student is unable to participate in P.E., the student must present to the principal or principal's designee a statement from a licensed health care practitioner stating the reason for the student's inability to participate. A licensed health care practitioner means a physician (MD, DO), nurse practitioner or physician assistant who has prescriptive authority and is licensed to practice in Colorado.

### **Reporting Student Progress**

Your student's progress will be reported at individual parent conferences at least twice a year. Report cards are available to view on Infinite Campus Parent Portal at the end of each grading period. Academic progress can also be found via the Infinite Campus Parent Portal.

### **Safety Information**

Your child's safety is of utmost importance to us. It is imperative that students are dropped off no earlier than 7:40 a.m. and picked up at 2:35 p.m. Adult supervision is only available beginning at 7:50 a.m. and for about 10 minutes after school.

Student Safety- Please help us keep students safe:

- Remind your child to use sidewalks and crosswalks.
- Students should only enter and exit their specified entry/exit doors based upon grade level and arrival/pickup method (ex. Bus).
- Hug and Go lanes are located in the front of the school and available for morning drop-off only. The parking lot is closed for after school pickup.
- If parking in the surrounding neighborhood, please adhere to all posted parking restrictions and avoid parking within 15 feet of school crosswalks.
- Parents should encourage children to adhere to all safety rules established for pedestrians. This emphasis on safety is also a concern of the school's staff, and is an important part of the instructional program.
- Students are expected to go directly to school and home from school. They are to respect the rights and property of all people in the neighborhood.

School Security System - In our ongoing efforts to provide the safest and most secure environment for our students, an additional security measure has been installed, which requires the following safety measures.

- ALL exterior doors will be locked at all times.
- Please do not open the door or hold the door open for others.
- In order to enter the building, you will need to enter through the main entry doors and check in with someone in the front office with your ID.
- An office member will release the inner entry door, allowing access to the building once you have been checked in..
- ALL visitors must check in at the office, show ID, and obtain and wear a visitor pass while in the building.
- If you would like to wait with your child before school or wait for your child after school, you will need to wait outside away from the external doors.

### **Visitor/Parent Check-In**

District Policy requires that all parents and visitors must present a drivers license/I.D. at the front desk and sign in at the office upon entering the building. Your license will be scanned through our Raptor system and a visitor's badge/sticker will be provided. You will be asked to wear a visitor's badge/sticker at all times.

If you would like to spend time with a teacher, please call and make arrangements prior to visiting. Also, if anyone other than a parent or legal guardian will be visiting the school (such as a grandparent coming for lunch) you must call the office ahead of time to let us know.
