EXTRA MILE AWARD

Congratulations to our Extra Mile Award Winner for August, HMS teacher, Mrs. Amber Kersey. Mrs. Kersey sets and maintains high standards for both herself and her students. This has been reflected in her 100% Physical Science pass rate for the 2024-25 school year. She works tirelessly to ensure material is presented in a manner that every student will be able to comprehend, process, and explain. Students want to be there and are fully engaged as a result. She also volunteers much of her time throughout the year, whether it's helping with various events at school and sports, or most recently taking over our Robotics team at HMS. We are lucky to have teammates like Mrs. Kersey at Butts County School System.
