SMARTFUTURES

Career Plan and Portfolio

A career-focused platform that seamlessly integrates the PA CEW standards in classrooms.

Who am I?

Surveys, activities, and skill building tools provide self awareness needed to identify realistic career goals.

Where am I going?

Explore careers and clusters that match you and your goals. Find pathways that align to your interests.

How do I get there?

Find relevant programs and majors and identify schools and colleges offering the best return on your investment.

- **75 interactive K-12 curriculum activities** that auto-generate digital, career-ready artifacts
- Easy **PIMS data file creation** for Career Readiness Indicator reporting
- Direct integration with Pennsylvania's **K-12 Guidance Plan** (Chapter 339)
- **Total portability** among school districts, CTCs, charter schools, and after-school programs
- Real-time **progress monitoring** for PA DoE audit
- Direct alignment to the **PA Academic Standards for Career Education and Work**
- Ability to earn an **SF Digital Literacy** IRC for non-CTE students
- **Accessibility & accommodations** for diverse learners
