Sanger is not only under construction in almost every corner of Sanger, we are also experiencing a growth in Education, and being the School of Choice, our anticipation for bus routes has been overwhelming as we have had to accommodate the closures and construction hazards.

Please know we are doing everything in our hands to accommodate your child to a safe destination both to and from school to home.

Region 11 to Spotlight Sanger Community Outreach

Lesley Cathey, M.Ed.
REACH Project Intervention Specialist

Good afternoon,

The ESC Region 11 REACH Team would like to showcase your program and the amazing support you provide to families, students, and staff.

We have a skilled videographer, Mathew Fisher, who will produce the video. We plan to highlight various aspects in the video, including community resource partnerships, support resources for students and families, program processes, student achievements and successes, and the overall development of the McKinney-Vento program.

Well of course!

We were more than excited to start showing off our new home. Mr. Love, Mrs. Epting, and Dr. Hunter got in on the fun with me on details of a well-oiled machine under ongoing tweaks!

The year has started with returning and new families and according to Superintendent, Dr. Tommy Hunter,

he stated that “our growth will probably hit 3,000 students before long. We stood steady at 2,800 end of last year, and we are already way beyond 2,900 students.” Our programs continue to be a success because of our staff’s commitment and dedicated community members who have embraced these programs with open arms. Currently, we are serving 39 McKinney Vento students, 18 Foster students, and sending out 44 Friday Backpacks and Assisting 23 families with school supplies, clothing, food, and essentials as needed. We had McKinney Vento students graduate this year - 9 out of 10. The Linda Tutt Grocery Store is currently serving the community members every Wednesday from 5:30 to 6:30 p.m., numbers vary weekly between 24-38 families coming to the store. Each family has anywhere between 1-7 members in their household. Mr. Fisher was very impressed with all we had to show-off and to see the countless resources and possibilities available for all students and their families. We hope to be able to share our video with you soon. Thank you Mr. Fisher, we had a great time!

In Gratitude For All of You and the many More to Come Join Us!

"I mean you don't want to miss out on anything, right? ~ Just ask anyone of these folks!"

We would like to send out a special note of gratitude to all our donors who have always had a heartfelt hand for whatever may be missing or needed in our Community Outreach and Linda Tutt Grocery Store Programs.

As I always say, whether it's clothes, food, essential, monetary, or just a simple call to ask how you can help, **YOU are so APPRECIATED!** Those kind gestures make our program a success and most of all, our kids and their families can see the light at the end of the tunnel and have that **HOPE** they've been missing shine upon them to carry them forward.

ARE YOU LOOKING TO VOLUNTEER OR MAKE A MONETARY DONATION TO YOUR COMMUNITY?

The Linda Tutt HS Grocery Store is always looking for partners to help in funding so that we may continue to serve our community families in need. Currently we are serving over 238 families on a monthly basis.

FUNDING FOR THE GROCERY STORE COMES FROM DONATIONS.

We have just begun a partnership with Tarrant Area Food Bank and they will deliver vegetables and some staple items to us every other week, however not all the items we continually try to provide can be purchased through this affiliation. We then must purchase much needed pantry items through WinCo Foods and this becomes *a cost on average of \$2,000 monthly.*

*Will you consider partnering with us?
Contact us at 940-458-5701-
We'd love to share more on this with you!*

A *special thank you to Mayra Garcia of Tarrant Area Food Bank* for delivering items for our Wednesday Grocery Store. Her event at Aubrey was rained out and she reached out to us to see if we could use – produce and can goods.... Well, of course we can, and just in time for grocery store night! We also want to wish Mayra the best of luck in her new adventure – we are sad to see her go but the next step is going to be even bigger!

Family Fire

Just this weekend, one of our families, (Mom is an employee), suffered a tragedy as their house burned down due to electrical issues. Currently, she and her six children are staying in a hotel that is only covered until Saturday and then will be having to move to their car or find a shelter. If you have a place that you could help and would be willing to rent out to her or in-kind, please reach out to us so we can get you in contact with her. We are also taking any monetary assistance to provide to her during this time. She is a single mom and is trying to get her children to school on time every day. Any help will be a blessing to her and her family. Thank you.

My Plea for HELP!

Don’t you think “Door #3” Needs a little Character to go with what/who’s on the other side of this door?

See the outside wall to our building? Isn’t it screaming – “Mural Imagination”... “Tell Our Story”... “Come Shine with us”...

Opportunity: If you are looking to show off your God Gifted Artistic Talent and get plenty of advertising for it, while giving the joy of your imagination to your community as they watch it come to life? *Here’s your chance!* Look at those Angel Wings in the clear blue sky - *even they are calling you!* Just imagine a loved one up there saying, “You can do this!”

Give me a call and let’s talk story-telling!

Thank You!
