Students, our tardy policy starts this week in full effect. If you are tardy more than 6 times, you will have to serve a lunch intervention so be on time to class.

A reminder of our schoolwide cell phone policy: Cell Phones are not allowed in class. If students have cell phones out, the teacher will ask students to put the phone away; teacher will next conference with student, call home, and can assign a classroom intervention at lunch. If the problem persists, teacher can call for a campus supervisor to escort student to the office to turn in the phone until the end of the day. Stay engaged in learning; be on time and keep phones away.

Students, a reminder that off-campus privileges are only in effect at lunchtime. During break and passing periods, it is expected that you stay on campus.
