Dear Bridgeport Elementary School Families,

As part of the Upper Merion Area School District, Bridgeport Elementary School receives funds from the Federal Government to operate a Title 1 Program.

Title 1 is a program that aims to strengthen reading and math skills for students in Grades K - 4. Classroom teachers and aides work with eligible students in small groups and/or individually to reinforce skills and concepts taught in the regular education classroom. Students who participate in the program, do not miss any new instruction while working in Title 1 groups.

Student placement in the Title 1 Program is determined by data and student performance. The classroom, District and State assessments that are used to determine student performance and placement in the Title 1 Program are: Wonders Language Arts, Everyday Mathematics, DIBELS, Sight Words, Running Records, CORE Assessments, MAP and PSSA. A review of your child’s academic performance demonstrates that she or he could benefit from the Title 1 program at Bridgeport Elementary School. Teacher recommendation is also considered when placing a child in Title 1.

Please sign and return the form below indicating your understanding of your child’s participation in our Title 1 programs and the expectations outlined on back.

If you ever have any questions, please ask!

Thank you for your continued support.

Sincerely,

Dr. Anthony Grazel, Principal, agrazel@umasd.org
Mrs. Brooke Battaglia, Reading Specialist, bbattaglia@umasd.org

Please sign and return this form to your child’s homeroom teacher.
