5 Mathematics: Firstname's Overall MCA-III Results
Your Student: 468
School Average: 465.5
District Average: 448.6
State Average: 451.5
Performance Level Description: Students at the Exceeds the Standards level exceed the mathematics skills of the Minnesota Academic Standards.

6 Mathematics Performance Details
Your student's score is compared to the state expectations for mathematics and its content areas. Performance in content areas within a subject is reported as Below Expectations, At or Near Expectations, or Above Expectations.
⬇️ = Below Expectations ⬅️ = At or Near Expectations ⬆️ = Above Expectations

Mathematics Area	Description	Performance
Number and Operation:	May include understanding meanings of numbers and operations; computing fluently and making reasonable estimates.	⬅️ At or Near Expectations
Algebra:	May include models to understand, represent and analyze patterns, relations, and functions.	⬆️ Above Expectations
Geometry and Measurement:	May include analyzing properties of geometric shapes; understanding the units, systems, and processes of measurement.	⬆️ Above Expectations
Data Analysis:	May include organizing and displaying data questions; understanding and applying basic concepts of probability.	⬆️ Above Expectations

7 Predicted Quantile[®](*) measure: 1275Q and range: 1225Q - 1325Q. Enter the predicted Quantile range at hub.lexile.com to match your student with resources appropriate for their level.

Resources:
• Go to the Minnesota Academic Standards webpage to learn more about the learning expectations for each grade and subject (education.mn.gov > Districts, Schools and Educators > Teaching and Learning > Academic Standards K-12).
• Go to the Minnesota Report Card to see results for your student's district and school and others throughout the state (education.mn.gov > Data Center > Minnesota Report Card).

Your Student's Mathematics Performance History

Your student's performance history on the Mathematics MCA-III is below. The table shows the achievement level for your student by grade and subject.

Your Student's Mathematics Performance History

Student Grade	3	4	5	6	7	8
Year	2024	2025				
Achievement level of student score on grade level standards						8

Mathematics Career and College Readiness (CCR) **9**

Your student's score is 1166.

A student whose Mathematics MCA-III score is at or above 1152 is on track to demonstrate career and college readiness in mathematics on a college admissions test at the end of grade 11.

MCA-III Placement Score Ranges for Minnesota State Colleges and Universities **10**

Intended Course of Enrollment (or equivalent)	Enrollment in Developmental Course Unless Additional Information Indicates Otherwise	Need More Information on Readiness	Enrollment in College Level Course
College algebra Statistics Other mathematics	MCA-III score below 1152 MCA-III score below 1146 MCA-III score below 1146	1152 to 1157 1146 to 1147 1146 to 1149	1158 or above 1148 or above 1150 or above

Retain this score report for use if completing the admissions process at a Minnesota State college or university. For more information please contact Minnesota State colleges and universities or your student's school.

> What does the year to year comparison above represent? **11**

- The table shows results for each year the MCA was given in the subjects applicable to that grade. When no score is available, a description of why is included.
- The four MCA performance levels, also referred to as achievement levels, include Does Not Meet, Partially Meets, Meets, and Exceeds the Standards.
- The performance level reported for a grade relates to the Minnesota Academic Standards tested in that particular grade only. When looking at results across grades, keep in mind academic standards change from grade to grade.
- Students who achieve the Meets or Exceeds the Standards performance levels are demonstrating the knowledge, skills and abilities expected for their grade level, as described in the academic standards.

> What is the Individual Student Report (ISR) about?

- This ISR provides your student's results on the Minnesota statewide assessments taken in the spring of 2025 to measure student learning of the Minnesota Academic Standards.
- This ISR includes your student's overall score and performance level in each subject tested and the average scores for students at your school, your district, and at the state level.
- If you have questions about the results, we encourage you to contact your student's school.

> Who takes these assessments and why?

The Minnesota statewide assessments are taken by all public students in grades 3-8 and 11 in mathematics, in grades 3-8 and 10 in reading, and in grades 5, 8, and once in high school in science.

> How should parents/guardians use these results?

- State test results are a snapshot of student learning from one day, and they are one data point among many that schools use when measuring classroom teaching and learning.
- Teachers use other assessments on a regular basis, such as quizzes, mid-terms, chapter tests, and final exams, to capture how well students are learning concepts taught in the classroom. Teachers look for areas students do well so they can reinforce how those skills are taught, and for areas that need improvement so they can individualize instruction.
- To be an advocate for your student, keep track of their academic progress and communicate regularly with their teachers.

> Where can parents/guardians find more information?

- [MDE Students and Families Statewide Testing page](#) under Assessment Results (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing)

> How can I request my student's results in a translated language or an alternative format? **12**

If your home language has been reported to your student's school or district, the QR code on page 1 may include a student results video with translated audio and/or captions. This ISR report format may also be made available in another translated language or an alternative format, such as large print, braille, or as an audio file. Contact MDE by email at mde.testing@state.mn.us, by phone 651-582-8674 or by fax 651-582-8874. TTY users may call the Minnesota Relay Service at 711.
