1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

In November 2022, CA voters passed Proposition 28 which provides additional funding for Arts Education in California public schools. The allocation of Prop 28 funds had us analyze our current system and we recognized the importance of offering equal opportunities and access to all EUSD students across all nine school sites. Based on feedback from our surveys and meetings with staff and educational partners, we are restructuring our Enrichment schedule to make it cohesive and consistent for all schools. All students will receive instruction in PE/ Yoga, TRAC, and VAPA, in the form of one semester of Art and one semester of Music, that will be fully funded by EUSD. All sites are also offering a fourth component that is best aligned to their community needs which will be half funded by EUSD and half funded by the site. We are committed to nurturing development of the whole child through the lens of EUSD's Learner Competencies.
