

Review about the French trip to Paris

From Friday 07/02/25 to Sunday 09/02/25, a group of 34 students from Year 9, 10 and 11 went to a cultural school trip to Paris by coach and ferry. The trip was organised by Mrs Hale, but Mr Culkeen, Mr Jones and Miss Sabal also joined the trip. It was the opportunity for students to visit famous French monuments such as the Versailles palace, the Arc de Triomphe, the Louvre Museum with its glass pyramid and the Eiffel tower. Students also enjoyed having free time in Montmartre and the Champs Elysées, shopping and buying souvenirs. On Saturday evening, they had great fun bowling together and eating pizzas. Students enjoyed the trip as it made them discover and experience a different culture, and also meet new friends across the year groups.

Yasir Abdulle from Year 9 said: ‘The trip was honestly one of the best trip of my life. My favourite parts were seeing all the beautiful monuments and architecture, and climbing the Eiffel tower, which was hard but all worth it in the end. I also enjoyed the Chen market in Montmartre for all the exotic treats they were selling. Overall, I am really grateful for the opportunity to go on the Paris trip’.

Ann Cherian from Year 11 said: ‘Climbing the Eiffel tower was one of the hardest things I have ever done, but it was so worth it for the amazing view at the top. Going bowling on Saturday evening and being really competitive with the younger years was so fun! Us Year 11 students never thought that we could have such a good relationship with not only the younger years but also our teachers. Seeing Paris with the school was one of the best trips I could have ever imagined and I wish I could relive those wonderful moments.’
