

VILLA PARK

HIGH SCHOOL

A CALIFORNIA DISTINGUISHED SCHOOL

September 2025

Taking the Advanced Placement exams is an important part of all AP courses. Villa Park High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2026 AP exams, students at Villa Park High School will be registering online. Online Exam registration will begin on **Monday, September 15, 2025**. The AP exam registration process is two steps, but both can be completed in one sitting when the student and parent/guardian do this together. Both steps must be completed in order to have AP exams ordered:

Step 1: Login to or create your College Board account. <https://myap.collegeboard.org>

Step 2: Complete the College Board enrollment process.

Step 3: Login to or create your Total Registration account. Here you will indicate both the AP courses you are taking this year and the exams you wish to take. You will receive your join codes and directions to complete the second required step. Any exam fees will be paid online so be sure to have a **debit card or credit card available before beginning registration**.
www.TotalRegistration.net/AP/052279.

Step 4: Use the join codes provided at the completion of step three to enroll the student's AP courses and exams in the College Board's system, if not already done in step two. **This step MUST be completed in order for exams to be ordered from the College Board in May.**

****Returning AP exam students should use the same email address as last year. Also, all information in Total Registration and College Board MUST match exactly- name, email, etc... Do not use your student email address, please use a personal email account.****

This year each AP exam costs \$110. Villa Park High School desires that every student be able to take their AP exams. Students requiring financial assistance should contact Ms. Victoria Luong, vluong@orangeusd.org or Mrs. Shasta Campbell, scampbell@orangeusd.org, in the Counseling Office.
