

Social Media Alert

September 10, 2025

Dear POB School Community,

It has come to our attention that videos are circulating on social media that captured the tragic shooting of Charles Kirk. Unfortunately, some of our students have viewed this video, and understandably, it has had an emotional impact.

I sincerely hope your child has not seen this disturbing video. I also share this message in the hope that it may prevent them from viewing it in the future, particularly after open conversations with you as their parent/guardian.

Please know that the safety and well-being of our students remain our top priority. Our school counselors, social workers, and psychologists are available to provide support to any student who may be struggling as a result of this content. We encourage you to reach out to your child's school if you believe they may need additional support at this time.

Thank you.

Dr. Mary O'Meara

Superintendent of Schools
