SEAC Meeting 5.27.2025 East Greenwich RI Cole Library 6:30 pm
Meeting Minutes

1. Attendees: M. Fridley, Chair. M. Murray, Chair, R. Levadusky, incoming chair. Mr. Marcaccio, C. Cecil-Karb (sc)
2. Old Business
    1. SIT membership and coordination – ongoing call for volunteers: the committee continues to recruit for SIT members for all schools. Whereas parents who are not in SEAC must apply for SIT membership and be selected out of a general population, SEAC parents can apply to designated SEAC spaces within SIT teams. This means that SEAC has guaranteed opportunity for representation if parents are able to join SIT teams.
    2. SEAC Co-Chairmanship: Present chair Molly F. will be leaving the state to move to Texas. The committee has nominated and confirmed Russel Levandewsky as the committee's next chair. The vote was unanimous with much appreciation for Chair Levandusky's willingness to serve.
3. New Business
    1. Presentation of East Greenwich School District's mental health services and resources: Representatives from district mental health services came to talk about resources that are available to students and families. Topics of concern include inclusion and encouraging/requiring educators to offer inclusion to students at more opportunities. One parent shared experiences from an out of district school that focuses on inclusion.
    2. Parent round table Part 2 - casual information sharing from some of our EG families about their experiences in special education and our community: more parent round table opportunities will be offered in the coming year.

Future Business to include planning for next year's SEAC meetings and the coordination with new chairs. The committee wishes chair Fridley well in her move and will miss her. The committee thanks all chairs (incoming outgoing and present) for their service.
