Dear Parents,

Welcome to a new school year! We are delighted to enter the 2025 - 2026 school year with you as a part of the Mount Holly School Family! We are looking forward to an enjoyable and productive year for students, staff, and parents. Throughout this year, we encourage you to become actively involved by attending school events and participating in programs sponsored by the PTO. We know that bridging the relationship between home and school is the KEY to a successful school.

This handbook is provided online for each family so that you will have a reference for the operations of our school. Please read the handbook and use it during the school year to check important dates and review school rules, policies, and procedures.

As your child's principal, I want to make sure you are well informed about school events and the progress of your child. Each Wednesday, your child will bring home a folder filled with school papers and announcements. If at any time you feel you need to speak with me, please do not hesitate to give me a call.

Our faculty and staff will strive to do our best to meet the academic, physical, emotional, and social needs of your children while preparing them for an ever-changing world. Have a great school year! Let the fun begin – and GO MIGHTY MUSTANGS!

ARRIVAL/DISMISSAL

Classes will begin at 7:45AM. For those students who ride with parents, we ask that they arrive at school **no earlier than 7:00AM** as we open the school doors at that time. If you drop your children off in the morning, please remember not to block the left lane of traffic in front of the school. If you need to come inside the school, please park in a parking space. The school day ends at 2:10 p.m. Car riders are picked up in front of the school and bus students are dismissed at the bus lot (located on the right side of the building). Persons picking up students in the car rider line **MUST** have the appropriate school issued card tag. Without the appropriate car tag, persons will be asked to go to the front office with proper identification to sign the child out. **Supervision will be provided for students for no more than 15 minutes after dismissal. ALL CHANGES IN DISMISSAL MUST BE SENT BY A HANDWRITTEN NOTE. NO EMAILS OR PHONE CALLS WILL BE ACCEPTED.**

ATTENDANCE

Guidelines for Implementing Student Attendance Regulations

Any student who misses school must present a written excuse, signed by a parent/guardian, or a medical or legal statement. If a written excuse or medical/legal statement is not provided to your school's Attendance Office within three days after the student is back in school, this absence will be unexcused. The maximum number of parent notes accepted and recorded for illness as a lawful/excused absence is five per school year.

Tardies

All students who are not in their classroom by 7:45AM will be receive an unexcused tardy. The only exceptions are for students who are tardy are due to a medical appointment or a late bus. A tardy will only be excused when a medical note is presented at the time of arrival to school or approved by the principal for extenuating circumstances.

Students will be considered absent lawfully and excused when:

- They are ill and their attendance in school would endanger their health or the health of others.
- There is a death or serious illness in their immediate family —with proper documentation (bulletin, death notice)
- There is a recognized religious holiday of their faith.
- The student is suspended out of school.
- There is a necessary medical or legal appointment that cannot be scheduled during non-school hours.

Students will not be excuse or receive a lawfully absent for family vacations, non-sponsored school event or any personal reason not associated with the school will not be excused. This is part of SC State Compulsory Attendance Law.

Early Dismissal

Students are not allowed to leave school after 1:45 p.m. UNLESS a doctor's excuse/appointment card is presented to the office by the parent at the time of dismissal. In addition, no transportation changes will be made AFTER 1:45 p.m.

Student Attendance Intervention Plans

After three consecutive or a total of five unlawful absences, regulations require that school officials contact the parent/guardian for a conference. The purpose of this conference is to identify reasons for your student's absences and to complete a Student Attendance Intervention Plan.

The maximum number of days a student allowed to miss is TEN per school year (lawful or unlawful.) When a student is absent more than 10 days, attendance is a key factor used in the promotion/retention decisions for grades K-5.

ESCUELAS PRIMARIAS

Directrices para la implementación del reglamento de asistencia estudiantil

Cualquier estudiante que falte a la escuela debe presentar una excusa por escrito, firmada por un padre/tutor, o una declaración médica o legal. Si no se proporciona una excusa por escrito o una declaración médica/legal a la Oficina de Asistencia de su escuela dentro de los *tres* días posteriores al regreso del estudiante a la escuela, esta ausencia será injustificada. El número máximo de notas de los padres aceptadas y registradas por enfermedad como ausencia legal/justificada es *cinco* por año escolar.

Tardanzas: Todos los estudiantes que no estén en su salón de clases a las 7:45 a. m. recibirán una tardanza injustificada. Las únicas excepciones son para los estudiantes que llegan tarde debido a una cita médica o a un retraso en el autobús.

Una tardanza solo será justificada cuando se presente una nota médica al momento de la llegada a la escuela o sea aprobada por el director por circunstancias atenuantes.

Los estudiantes serán considerados ausentes legalmente y justificados cuando:

- Están enfermos y su asistencia a la escuela pondría en peligro su salud o la salud de los demás.
- Hay una muerte o enfermedad grave en su familia inmediata, con la documentación adecuada (boletín, aviso de muerte)
- Hay una fiesta religiosa reconocida de su fe.
- El estudiante es suspendido fuera de la escuela.
- Hay una cita médica o legal necesaria que no se puede programar fuera del horario escolar.

Los estudiantes no serán excusados ni recibirán una ausencia legal por vacaciones familiares, eventos escolares no patrocinados o cualquier razón personal no asociada con la escuela no será excusada. Esto es parte de la Ley de Asistencia Obligatoria del Estado de Carolina del Sur.

Salida temprana: Los estudiantes no pueden salir de la escuela después de la 1:45PM. A MENOS QUE el padre/madre presente en la oficina una tarjeta de excusa/cita médica en el momento de la salida. Además, no se realizarán cambios de transporte DESPUÉS de la 1:45PM.

Planes de intervención de asistencia estudiantil

Después de tres ausencias consecutivas o un total de cinco ausencias ilegales, las normas requieren que los funcionarios escolares se comuniquen con el padre/tutor para una conferencia. El propósito de esta conferencia es identificar las razones de las ausencias de su estudiante y completar un Plan de Intervención de Asistencia Estudiantil.

La cantidad máxima de días que un estudiante puede perder es DIEZ por año escolar (legal o ilegal). Cuando un estudiante se ausenta más de 10 días, la asistencia es un factor clave que se usa en las decisiones de promoción/retención para los grados K-5.

CONFERENCES

Communication is an essential part of the educational program. We feel it is very important for parents to keep in close contact with their child's teacher concerning his/her progress. Teachers, parents, or the principal may call for a conference when desired or necessary. Parents may call the school office (985-1650) to set up an appointment. We prefer that conferences be scheduled after 2:30 p.m. on Mondays, Wednesdays, or Thursdays. However, attempts will be made to arrange a time convenient to all. Each classroom teacher will schedule one fall and one spring conference throughout the school year.

CODE OF CONDUCT

It is the desire of the Rock Hill School District Three Board of Trustees that the public school offer opportunities for each child to learn in an atmosphere that is most conducive to the realization of his/her potential. Basic to this goal is the provision of schools/classrooms that are safe and orderly, where students and staff recognize and respect the rights of others, and where each student is free from intimidation, fear, and disruption of the educational process. All deviant behavior cannot be measured on an objective scale, nor can such behavior be attributed to the same motives. Therefore, the rules do not attempt to cover every misbehavior. Nor, do they limit the discretionary authority of the principal in the day-to-day administration of discipline.

DISCIPLINE

The goal at Mount Holly Elementary School of Engagement is to bring consistency while fostering a well-mannered school. Our focus is to have a strong instructional program, and we do not want discipline issues to affect any child's right to learn.

Our school-wide expectations are:

- ~Be respectful.
- ~Be responsible.
- ~Be resourceful.

We ask that you discuss with your children the importance of and the need for good behavior and a good attitude while at school. **Behaviors including but not limited to fighting, disrespect toward others, obscene language, or destruction of school property including textbooks and digital devices provided by Rock Hill Schools is not allowed at school.** Students who break rules continuously will be sent to the Recovery Room or office and handled accordingly. If problems reoccur, parents will be called to come in to help resolve the problem.

If a student receives a discipline referral, these are possible consequences: student conference with principal, parent conference with principal, loss of privileges, assignment to Recovery Room, or suspension from school. These consequences will be administered by the Administration and/or Dean of Students.

Parents with young children are asked to please keep an extra set of clothing in their child's book bag in case of an accident. For any questions or concerns, please see

the district's website under Nursing Services.

HOMEWORK

Homework is important in the learning process in that it extends the active involvement beyond the classroom. Homework is an excellent way for you to stay informed about your child's progress. Good communication between home and school and mutual cooperation are imperative in fostering the full development of the student's potential. Please check with your child's teacher throughout the year concerning homework. The amount of homework per day from individual teachers may vary.

The following guidelines are based on an average child who works consistently; this does not take into consideration time spent on long-range projects. Homework assignments will not be given on Fridays, on the last day before a holiday or during state testing.

Students may be retained due to poor academic performance or failure to attend school regularly.

POLICIES (District)

Policy JRA and Administrative Rule JRA-R Student Records were not suspended, but it is a policy that contains some annual notifications that need to be communicated to your stakeholders. The Notice For Directory Information and the Notification of Family Rights and Privacy Act (FERPA). In addition to the notifications, it is always a good practice to remind faculty about sharing student information with anyone other than the parent or legal guardian. As well the policy provides expectations for securing and caring for student records.

Below are J-Policies for Students that are often impactful to the school day on a regular basis. For this reason, I have included this list of policies for your review.

- academic penalty (cheating)

Level II - Disruptive Conduct

Disruptive conduct includes those activities in which students engage that are directed against persons or property and the consequences of which tend to endanger the health or safety of themselves or others in the school. Some instances of disruptive conduct may overlap certain criminal offenses, justifying both administrative sanctions and court proceedings.

The administration may reclassify disorderly conduct (Level I) as disruptive conduct (Level II) if the student frequently engages in (Level I) disorderly conduct offenses.

Acts of disruptive conduct may include, but are not limited to, the following:

- use of an intoxicant
- use or possession of tobacco products or materials
- fighting – Elementary Schools
- inciting others to violence or provoking a fight
- vandalism (minor)
- stealing
- threats against others
- harassment, intimidation, hazing, or bullying
- trespassing
- refusal to obey school personnel or agents (such as volunteer aides or chaperones) whose
- responsibilities include supervision of students
- possession or use of unauthorized substances
- possession or use of a controlled substance or paraphernalia associated with the use of
- controlled substances, as defined by law or local school board policy
- illegally occupying or blocking school property in any way with the intent to deprive others of its
- use
- noncompliance of administrative direction during a school emergency
- unlawful assembly
- failure to cooperate fully with school officials in the investigation of a Level II offense
- disrupting lawful assembly
- bus misconduct horseplay, hitting, tripping, or pushing that could cause injuries or damage to
- property
- gambling

The staff will follow these basic enforcement procedures in instances of disruptive conduct:

- When the administrator observes (or is notified and verifies) an offense, he/she will investigate
- the circumstances of the misconduct and confer with staff on the extent of the consequences.

- The administrator will notify the parent/legal guardian of the student's misconduct and related
- proceedings. The administrator will meet with the student and, if necessary, the parent/legal
- guardian, confer with them about the student's misconduct, and apply the appropriate
- disciplinary action.
- The administrator will keep a complete record of the procedures.
- If appropriate, school officials should notify law enforcement authorities.

The administration may apply sanctions in cases of disruptive conduct which may include, but are not limited to, the following:

- temporary removal from class
- temporary or permanent removal from bus
- alternative education program
- in-school suspension
- out-of-school suspension
- transfer
- referral to outside agency
- expulsion
- restitution of property and damages, where appropriate, should be sought by local school authorities

Level III - Criminal or Obscene Conduct

Criminal or obscene conduct includes those activities in which students engage that result in violence to themselves or to another's person or property or which pose a direct and serious threat to the safety of themselves or others in the school. These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities, and/or action by the board.

Acts of criminal or obscene conduct may include, but are not limited to, the following:

- assault and battery
- extortion
- bomb threat
- false fire alarms
- fighting – Middle and High Schools
- possession/use of fireworks or explosive devices
- failure to report knowledge of weapons or explosive devices to school authorities
- possession, use, or transfer of dangerous weapons

- possession or transfer of look-a-like weapons
- sexual offenses
- sextortion vandalism (major)
- theft, possession, or sale of stolen property
- arson
- furnishing or selling unauthorized substances, as defined by board
- policy
- furnishing, selling, or possession of controlled substances (drugs, narcotics, or poisons)
- distribution, sale, purchase, manufacture, or unlawful possession of a controlled substance while in or within a radius of one-half mile of school grounds
- threatening to take the life of or inflict bodily harm upon a teacher, principal, or members of their immediate family
- profane or abusive language to staff, including School Safety officers and School Resource Officers and volunteers

The staff will follow these basic enforcement procedures in instances of criminal conduct:

- The administrator will contact law enforcement.
- When an administrator observes (or is notified of and verifies) an offense the administrator will confer with the staff involved, apply the appropriate disciplinary action, and if appropriate, meet with the student.
- If warranted, the administrator should immediately remove the student from the school environment. The administrator will notify a parent/legal guardian as soon as possible.
- The first offense by a student of Level III criminal conduct at a middle or high school shall result in an automatic five day suspension and possible criminal charges. A second offense by a student of Level III criminal conduct shall result in referral to the district's alternative learning program, possible criminal charges, or possible expulsion. The student must complete two consecutive semesters without Level II or III offenses before returning to his/her home school.
- Staff will follow established due process procedures when applicable.
- The administrator will keep a complete record of the procedures.

The administration may apply sanctions in cases of criminal conduct that may include, but are not limited to, the following:

- out-of-school suspension
- assignment to alternative schools

- expulsion
- restitution of property and damages, where appropriate (should be sought by local school authorities)

Extenuating, Mitigating, or Aggravating Circumstances

Administrators are to take appropriate action when student misconduct away from school grounds or school activities has a detrimental effect on the educational environment, safety, or general welfare of students or staff of the district. Student misconduct includes any action performed in person, in writing, or electronically. The administrator should take into consideration the protection of students and staff from the effects of violence, drugs, and/or disruptions. At a minimum, administrators or their designees should meet with the student upon his/her arrival at school, give the student notice of the concerns, and allow the student an opportunity to present his/her side of the story. The administration may either permit the student to attend classes as usual or may take appropriate disciplinary action including, but not limited to, in-school suspension or out-of-school suspension in order to conduct an investigation into the matter. The parents/legal guardians of students will be notified of any action taken by the administration and offered the opportunity for a conference with the administration.

In the event the student is incarcerated based on his/her out-of-school conduct, the principal or his/her designee will notify the student that he/she is to meet with the administration prior to returning to school. At the conclusion of the inquiries to obtain more information on the matter, the administrator or his/her designee should take appropriate action which may include, but is not limited to, one or more of the following:

- returning the student to his/her normal class schedule and removing all evidence of suspension
- placing the student on probation and allowing the student to resume his/her normal class schedule
- placing the student on probation, allowing the student to continue classwork, but restricting the student's participation in extracurricular activities and/or designated school activities; for example, clubs, study halls, pep rallies, student government activities, and so forth
- suspending the student recommending expulsion of the student from regular school and placement in the district's alternative school
- recommending expulsion but allowing access to virtual school programs through the district's alternative school (these students are only allowed on alternative school campus for coursework and exams that require a proctor in a virtual school accessed through our district's alternative

- school); students not able to successfully enroll will be expelled for the remainder of the school year
- recommending expulsion of the student for the remainder of the year

Discipline of Students with Disabilities

Disciplinary process

Students with disabilities as identified under the Individuals with Disabilities Education Act (IDEA) are not exempt from school disciplinary processes, nor are they entitled to remain in a particular educational program when their conduct substantially impairs the education of other children in the program. However, federal and state laws and regulations require the public schools to meet the individual educational needs of a student with a disability to the extent that current educational expertise permits.

Program prescriptions

A staffing committee for students with disabilities as identified under the IDEA may prescribe or prohibit specified disciplinary measures for an individual student by including appropriate provisions in the student's Individualized Education Plan (IEP). The committee must take into consideration the student's disabling condition when deciding whether or not staff may use a particular form of discipline. Administrative authorities should observe any such provisions contained in a student with disabilities' individual education plan, except that a staffing committee may not prohibit the initiation of proceedings for suspension or expulsion that are conducted in accordance with regulation.

Suspensions

The administration may suspend a student with disabilities unless a suspension is prohibited by the student's individual education plan. At the end of the suspension, the school should return the student to the same educational placement, if appropriate. The school may suspend students for up to 10 days during the regular school year for a disciplinary infraction.

The school may suspend students for up to 10 days during the regular school year for a disciplinary infraction.

However, students who bring weapons to school or a school function, knowingly possess or use illegal drugs or solicit the sale of controlled substances while at school or a school function or inflict substantial physical injury to another individual in the school environment may be removed for up to 45 days at a time. If the principal and IEP team believe that a child with a disability is substantially likely to injure self or others in the child's regular placement, he/she may petition an impartial

due process hearing officer or get a court injunction to order that the child be removed to an interim alternative educational setting for a period up to 45 days.

Expulsions

Expulsion of a student with disabilities is equivalent to a change in educational placement and, therefore, requires special procedures. Before a student with disabilities may be expelled, an IEP team must determine whether or not there is a connection or causal relationship between the disabling condition and the misconduct. If it is determined that there is a causal relationship between the student's misconduct and the student's disability, the student would continue to receive services in the regular school setting. If the behavior is not related to the disability, then the student is subject to regular discipline. However, provisions must be made to allow the student to continue to progress in the regular curriculum and meet the goals of the IEP.

The district will continue to provide a free and appropriate education as set forth in a student's IEP to expelled students with disabilities.

Nothing contained in this administrative rule will be construed as limiting an administrator's ability to remove a student with disabilities from school immediately under emergency conditions.

POSSESSION/USE OF PERSONAL ELECTRONIC DEVICES OR DISTRICT-OWNED DEVICES

Code JICJ Issued 6/23

Purpose: To establish the basic rules for the board's permission of personal electronic devices or district-owned devices on school grounds, in the school buildings, on buses, or during any other time they are under the direct administrative jurisdiction of the school, whether on or off the school grounds.

Personal Electronic Device

For purposes of this policy, "personal electronic device" includes, but is not limited to, cell phones, pagers, gaming devices, or other devices that emit an audible signal, vibrate, display a message, display or record an image, or otherwise summon or deliver a communication to the possessor. Personal electronic devices are not permitted to be on or visible during the school day and should be stored in lockers or backpacks while on campus between student arrival and dismissal bell.

Unauthorized use of a personal electronic device may include, but is not limited to, taking pictures or recording without permission, cheating, harassment or bullying, use during any emergency drill, use during unauthorized times, or use for unlawful activities.

A student in possession of a personal electronic device in conflict with this policy will be subject to discipline as provided under administrative rule JICJ-R.

Violations of this policy may result in the confiscation of the device and all its components. Students are not allowed to erase the history or remove the battery, SIM card or any other part of the device before giving it to the school official. Students will receive the phone at the end of the school day.

The district is not responsible for the loss or damage of any personal electronic device brought on school grounds, in the school buildings, on buses, or during any other time they are under the direct administrative jurisdiction of the school, whether on or off the school grounds.

District-Owned Device

The district may provide students with electronic devices including, but not limited to, tablets or laptop computers in an effort to enhance students' learning experience. The district will determine the device that best suits the needs of the students.

Students will have no expectation of privacy with respect to any information contained on these devices. District-owned devices may contain tracking software to recover lost or stolen devices. Students are not allowed to erase the history or remove the battery, SIM card, or any other part of the device. Students will abide by the district's acceptable use policy (IJNDB) established for the use of technology resources. Students who violate the acceptable use policy or do not follow instructions for the proper use of the device on school grounds, in the school buildings, on buses, or during any other time they are under the direct administrative jurisdiction of the school, whether on or off the school grounds, will be subject to discipline according to administrative rule JICJ-R.

Students are responsible for the care of the district-owned device. Parents/Legal guardians will cover the cost of damage to or loss of the device. Students will return the device at the end of the school year or when directed by an administrator.

Policy JICFAA Harassment, Intimidation or Bullying

Issued 1/16

Purpose: To establish the basic structure for maintaining a safe, positive environment for students and staff that is free from harassment, intimidation, or bullying.

The board prohibits acts of harassment, intimidation, or bullying of a student by students, staff, and third parties that interfere with or disrupt a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment whether in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation, or bullying is defined as a gesture, electronic communication, or a written, verbal, physical, or sexual act reasonably perceived to have the effect of either of the following:

- harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage
- insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school
- demonstrates motivation by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity, and expression or a mental, physical, or sensory disability or by any other distinguishing characteristic

Any student who feels he/she has been subjected to harassment, intimidation, or bullying is encouraged to file a complaint in accordance with procedures established by the superintendent. Complaints will be investigated promptly, thoroughly, and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously.

The district prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation, or bullying. The district also prohibits any person from falsely accusing another as a means of harassment, intimidation, or bullying. The board expects students to conduct themselves in an orderly, courteous, dignified, and respectful manner. Students and employees have a responsibility to know and respect the policies, rules, and regulations of the school and district. Any student or employee who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action, up to and including expulsion in the case of a student or termination in the case of an employee. Individuals may also be referred to law enforcement officials. The district will take all other appropriate steps to correct or rectify the situation.

Students, parents/legal guardians, teachers, and staff members should be aware that the district may take disciplinary actions for conduct initiated and/or created off-campus involving the inappropriate use of the Internet or web-based resources if such conduct poses a threat or substantially interferes with or disrupts the work and discipline of the schools, including discipline for student harassment and bullying.

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers, and members of the community, JICFAA JICFAA 1 of 2 including its applicability to all areas of the school environment as outlined in this policy.

The superintendent or his/her designee will also ensure that a process is established for discussing the district policy with students.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school

principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The school official will arrange for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Notificación de derechos según FERPA para Escuelas de Educación Primaria y Secundaria

La Ley de Derechos Educativos de la Familia y la Privacidad (FERPA, por sus siglas en inglés)) otorga a los padres y a los estudiantes mayores de 18 años de edad ("estudiantes elegibles") ciertos derechos con respecto a los registros educativos del estudiante. Estos derechos son:

1. El derecho a inspeccionar y revisar los registros educativos del estudiante dentro de los 45 días a partir del día en que la escuela recibe una solicitud de acceso. Los padres o estudiantes elegibles deben presentar al director de la escuela [u otro funcionario escolar apropiado] una solicitud por escrito que identifique el registro o los registros que desean inspeccionar. El funcionario escolar organizará el acceso y notificará al padre o al estudiante elegible sobre el momento y el lugar en el que los registros podrán ser inspeccionados.
2. El derecho a solicitar la modificación de los registros educativos del estudiante que el padre o el estudiante elegible consideren inexactos, engañosos o que de otro modo violen los derechos de privacidad del estudiante según FERPA. Los padres o estudiantes elegibles que deseen solicitar a la escuela que modifique un registro deben escribir al director de la escuela [u otro funcionario escolar apropiado], identificar claramente la parte del registro que desean cambiar y especificar por qué debe cambiarse. Si la escuela decide no modificar el registro según lo solicitado por el padre o el estudiante elegible, la escuela notificará al padre o al estudiante elegible sobre la decisión y les informará sobre su derecho a una audiencia en relación con la solicitud de modificación. Información adicional sobre los procedimientos de la audiencia se proporcionará al padre o al estudiante elegible cuando se les notifique sobre el derecho a una audiencia.
3. El derecho a la privacidad de la información personalmente identificable en los registros educativos del estudiante, excepto en la medida en que FERPA autorice la divulgación sin consentimiento. "Una excepción, que permite la divulgación sin consentimiento, es la divulgación a funcionarios escolares con intereses educativos legítimos." "Un funcionario escolar es una persona empleada por la escuela como administrador, supervisor, instructor o miembro del personal de apoyo (incluyendo personal de salud o médico y personal de la unidad de policía escolar); una persona que sirve en la Junta Escolar; una persona o empresa con la cual la escuela ha subcontratado servicios o funciones que de otra manera realizaría con su propio personal (como un abogado, auditor, consultor médico o terapeuta); un padre o estudiante que sirve en un comité oficial, como un comité disciplinario o de quejas; o un padre, estudiante u otro voluntario que ayuda a otro funcionario escolar a realizar sus tareas." Un funcionario escolar tiene un interés educativo legítimo si el funcionario necesita revisar un registro educativo para cumplir con su responsabilidad profesional.
4. Bajo solicitud, la escuela divulga registros educativos sin consentimiento a funcionarios de otro distrito escolar en el cual un estudiante busca o tiene la intención de inscribirse o ya está inscrito, si la divulgación es con fines de inscripción o transferencia del estudiante. [NOTA: FERPA requiere que un distrito escolar haga un intento razonable de notificar al padre o al estudiante sobre la solicitud de registros a menos que indique en su notificación anual que tiene la intención de remitir los registros cuando se soliciten].
5. El derecho de presentar una queja ante el Departamento de Educación de los Estados Unidos en relación con presuntas violaciones por parte de la escuela en el cumplimiento de los requisitos de FERPA. El nombre y la dirección de la Oficina encargada de administrar FERPA son:

PTO

We welcome you to join the Mount Holly School of Engagement Parent Teacher Organization! The main purpose of the PTO is to work with the school in creating a safe, warm environment where our children can learn and grow.

REPORTING TO PARENTS

Samples of your child's work are sent home periodically. In an effort to improve home/school communication, a special folder will be provided to each student for this purpose. The entire staff will send all notices, work samples, newsletters, etc. on Wednesday of each week. Please expect all communications on this day, review them, and return the folder to the school. You will receive more specific information from your child's teacher. Report cards are designed to inform you of your child's level of instruction, academic progress, and growth in desirable habits and attitudes. The report card provides a means of communication between you and your child's teacher, which is very important to his/her success and well-being in school. Report cards are issued every nine weeks. The evaluation of student achievement is one of the important functions of the teacher. Each student is evaluated with reference to his or her own instructional level.

SCHOOL CLOSINGS and DELAYS

Announcements concerning school closings or delayed openings will be provided to parents through the parent notification phone system and will be broadcasted on all local radio and TV stations and on the district website as soon as the decision is made. When schools operate on a delayed opening due to bad weather, **DO NOT BRING YOUR CHILD AT THE REGULAR TIME**. There will be no one available to supervise your child. If hazardous weather develops during the school day, a decision to close school early will be announced via the parent notification phone system, on all local radio and TV stations, and on the district website. and discuss this plan with your child. The school district has an information line that is updated during conditions that might impact school opening. This number is **366-INFO**.

Visitors who are on school business are welcomed at school; however, immediately upon entering the school grounds, all visitors must sign-in at the school office **with a state-issued ID or driver's license** and state the nature of their visit. In-district students will not be allowed to visit between schools of the district. Out-of-town student visitors or relatives must obtain prior permission or special invitation to visit the school. Anyone failing to comply with the check-in procedure will be asked to leave the campus. All classroom visits must be scheduled with the principal and/or teacher.

VOLUNTEERS ARE ALWAYS WELCOME!

Parents and guardians are encouraged to be volunteers at the school. Interested persons may call the school office to offer their services. Volunteers are used in the teacher workroom, as classroom helpers, and with PTO projects. Our goal is to have every parent involved in our school. All volunteers must be approved by completing the volunteer application located on the district web page (<https://bib.com/SecureVolunteer/Rock-Hill-School-District/>). A volunteer ID card will be issued upon approval and must be presented along with a photo ID to serve as a volunteer.

WITHDRAWAL OF STUDENTS

If you are moving and withdrawing your child from school, please call or come by the school a few days prior to the withdrawal date. Your cooperation is always greatly appreciated.

Thank you for accessing your Parent/Student Handbook. Please verify in the Parent Portal by completing the eCollect Handbook Verification in Form that you have read and understand student expectations.
