Wilton-Lyndeborough Cooperative School District provides a safe and educational environment that promotes student exploration, critical thinking, and responsible citizenship

Focus Areas: 2025-26 School Year

Academic Excellence ~ Improve overall student academic performance and competency by supporting evidence based teaching and learning strategies, differentiated learning approaches, and promoting a positive learning environment where all students are valued and supported

- a. Demonstrate continuous improvement in student performance
 - 1. Utilize a variety of data points to identify gaps in student performance and implement strategies to address those gaps
 - 2. Maintain a multi-tiered system of intervention to ensure that a wide range of demonstrated learning needs are identified and supported
 - 3. Utilize evidence-based practices to inform instructional and planning decisions
 - 4. Ensure that strategies are differentiated and align with student needs
- b. Promote a positive learning environment
 - 1. Provide a comprehensive education program that supports students in the core academic program while also providing multiple pathways, challenges, and opportunities to learn and grow
 - 2. Work actively to support student learning plans, interests, and post-graduation transition goals
 - 3. Celebrate student and school successes internally and also in the larger community
 - 4. Maintain a safe and orderly school milieu

Professional Culture ~ Actively develop and sustain the professional culture of our staff

- a. Develop and maintain a high quality professional staff
 - 1. Provide ongoing and relevant professional development that align with the needs of the district
 - 2. Provide a schedule that supports ongoing professional collaboration
 - 3. Review and revise the District Supervision and Evaluation plan to ensure that it is effective and aligned with District expectations
 - 4. Continue to positively market our schools and recruit & retain high quality staff
 - 5. Support and promote timely and ongoing communication with families and the community

The first draft of a District Strategic Plan is being developed and will be shared with the Strategic Planning Committee in October. That draft plan will include other components including curriculum, technology, facilities/infrastructure & sustainability/growth
