

Trigg County Public Schools

2025-2029 Strategic Plan

Our Scholars

Will be held to high expectations, discovering a sense of belonging and being empowered to grow personally through intentional experiences in an ever-evolving world.

Our Stakeholders

Will unite through transparent, two-way communication, consistent practices, and respectful relationships as we mentor, support, and build trust to ensure student success and a strong future for Trigg County.

Our Team

Will be valued and interconnected, fostering pride, positive relationships, and a growth mindset. Through consistent communication and collaboration, we embody the Will of the Wildcat to support growth, success, and well-being.

Our Campus

Will prioritize safe, secure, well-maintained spaces where students and staff can thrive. Our campus will reflect Trigg County's pride and high standards, supporting classrooms focused on rigorous instruction, accountability, and student success.

Key Initiatives

WILDCAT SCHOLARS WILL...

- *Compete academically at the highest levels through rigorous and engaging classroom experiences and challenges*
- *Feel safe, valued, and equipped with the coping skills needed to become independent individuals.*
- *Engage in genuine, real-world experiences and exhibit selfless actions that positively impact the community.*
- *Demonstrate the determination to finish strong, reach their goals, and find a way forward through productive struggle and effective problem-solving.*
- *Develop real-world sense by balancing academic knowledge with practical wisdom, building the confidence to make sound decisions.*

STAKEHOLDERS CAN EXPECT...

- *The district will foster trust by being responsible stewards of all resources.*
- *Consistent, transparent, and engaging two-way communication that supports student success.*
- *Active two-way partnerships grounded in a shared commitment to student success.*
- *Meaningful opportunities for students to apply classroom learning in ways that create deeper, real-world experiences.*

WILDCAT TEAM MEMBERS WILL...

- *Be committed to performing at the highest level by being intentionally prepared and bringing their best each day in pursuit of excellence.*
- *Be equipped with high-quality resources and support to foster growth opportunities and facilitate continuous improvement on a daily basis.*
- *Sustain an inclusive environment where all Wildcat team members are valued, supported, and respected.*
- *Thrive in an environment where everyone feels empowered to seek help, take risks, and share ideas, opinions, and perspectives.*
- *Model the Will of the Wildcat by persevering through challenges, overcoming adversity, and demonstrating creative problem-solving.*

THE CAMPUS WILL...

- *Prioritize safety through a strong commitment to training, preparedness, and consistency.*
- *Foster pride by maintaining well-kept, clean, and welcoming environments.*
- *Serve as an efficient and accountable steward of facilities through intentional planning and long-term investment.*
- *Prioritize resources that maximize student success*
