

1. Go to Transportation Webpage on JMCSS website under Departments.

Transportation

The JMCSS Transportation Department is responsible for daily bus operations, dispatching buses, fleet maintenance, safety and driver training. In addition to our regular routes, our buses transport students to sporting events, educational field trips and a variety of competitions each year. JMCSS recognizes the transportation of students as an essential part of our public education system. It is the goal of JMCSS to provide our students with safe and efficient transportation services.
