For Schools: Ideas for Activities (Optional)

Last school year, some schools paired the Attendance Spirit Week days with activities. Here are some ideas:

- Jersey Day - Activities focused on being active, such as walking, kickball games, and a morning meeting topic focused on talking about students' favorite "active" activities at school - recess, PE, movement breaks -etc!
- Royal Day - Read a royal-themed book or video, have a school-wide parade, make a crown, create "royal names", "Royal" Contests
- '94 - Play board games or do word puzzles, Minute to Win It games
- School Spirit - Pep rallies or community gatherings!

"This fun is brought
to you by
Attendance
Spirit Week!!!"

When planning the activities, be sure to give a nod to being present at school as much as possible!
