FVL Reunion Planning Guide

Thank you for stepping up to organize your class reunion! We're here to support you—whether that means spreading the word, sharing ideas, or offering suggestions. Every reunion is unique, but the best part is always the same: reconnecting with classmates and creating new memories together.

How FVL Can Help

• Reserve space at FVL

You're welcome to host your reunion at FVL free of charge. Our campus is a busy place, so be sure to reserve your spot early!

• Tour the Building

Has it been a while since you walked the halls of FVL? Whether you've been back recently or it's been decades, we'd love to show you and your classmates what's new—and what still feels the same.

• Email Communication

Our Mission Advancement Office can email your classmates who are on our contact list. We'll send the email, and direct all responses and questions to you. Just let us know what you'd like to share!

Where to Eat?
