

2025/2026

Public Health Liaison Meeting

Organized by:

Marin County Office of Education and
Marin Health and Human Services

Purpose of PHL

- Originated during COVID times
- Updates relevant to educational / childcare settings
- Coordinated county messaging and response
- **Now and moving forward** - a group that can quickly respond to public health crises if/when needed

Role of Liaisons

- Attend the annual PHL meeting
- Read and share out updates as needed
(3 newsletters and potential stand alone emails)
- Touch base with MCOE and Marin HHS with relevant public health updates and for guidance if needed

Action Items

- Sign up to receive future PHL communications
