

Classroom Syllabus

Mr. Lamb

- Every day you will need to come prepared to our class. You need to always bring a pencil, notebook, and chromebook to our class. This is not a place to disrespect me or any other adult who is in my room. My goal is to educate you in the best way possible, but I must have your cooperation and respect to do so.

- As soon as you walk in turn in your assignment/homework into the work station (if you did not finish it the day before), sit down and get your pencil and notebook out unless told otherwise. We only have an hour. We do not have time to goof off, horseplay, or waste time. I should not have to ask you to do these requests halfway through the year. This is a habit you will learn.

- Items that will be graded are
 - Weekly Works (Handed out Monday, turned in that following Monday)
 - Worksheets
 - Pop Quiz
 - Test
 - Projects/Essays

- Your area should also be clean at the end of class. I do not want to see any trash on my floor.

Late Work

- Work that is late is 10 points off per day, unless a situation arises that I am informed of. I hate to dock points off of work, but a lot of previous students have taken weeks to turn in something that should have been completed in a short amount of time.

Standards

https://www.tn.gov/content/dam/tn/education/standards/ss/Social_Studies_Standards.pdf

Parents/Guardians, please make sure you have read this with your child. They need to understand that they will be held accountable for their actions. Both, please sign below that you have read over these classroom procedures and return them.
