Horizon Elementary

2025-2026 School Improvement Plan

Focus Area #1 - Instructional Practice, Specifically Relating to Small-Group Instruction

By February 2026, 41% of the students in the SWD (students with disabilities) and ESSA (Every Student Succeeds Act) subgroup and 45% of students in the B/AA (black, African American) subgroup will show proficiency on the benchmark-aligned common assessments (VBA).
Teachers will provide students with benchmark-aligned small group instruction and intervention as evidence in walkthroughs.

Focus Area #2 - Positive Culture and Environment specifically relating to Early Warning Systems (EWS)

Horizon Elementary will reduce the total number of discipline suspensions by 20% and strengthen PBIS support. With 100% teacher participation, the PBIS team will complete the PBIS checklist in the fall, spring, and at the end of the year in order to monitor the implementation of PBIS strategies.
Horizon Elementary will reduce the number of students who have less than 90% attendance by 15%.

At Horizon Elementary, we strive to provide a nurturing environment, promoting academic development, individual growth, and mutual respect to develop responsible, productive citizens!

At Horizon, our Eagles SOAR!
