Clubs Newsletter – Autumn Term 2025

Welcome back! We are pleased to let you know that, once again, Silverdale can offer a range of after-school clubs this term.

This year we are including the full range of clubs on this newsletter, including some that are provided by external coaches/sports clubs. Where clubs are provided by members of school staff we are pleased to say we are able to run them at no cost to parents. In some cases, we are also able to use some of the school's 'Sports Premium' funding to make some other clubs free for children. If you'd like to book one of the clubs offered by external providers, we have included the links on this newsletter for you arrange this directly with the club provider. If you have any question about those clubs please approach the club provider directly.

Most clubs are voluntary – for children and teachers!

We rely heavily on members of staff volunteering to run after-school clubs – it is not part of the normal school day and our teachers are not paid extra for running them! So where a club runs, it is purely because a member of staff wants to provide the opportunity for our children to enjoy an extra-curricular activity.

Sign-up for clubs using the links on the next page – GOES 'LIVE' 10AM ON SATURDAY 13TH SEPTEMBER.

If your child is interested in signing up for club in the Autumn Term, **please complete the appropriate online form via the links on the next page.** You'll need to complete a separate form for each child and each club. If the club is being provided by the school, this will put you on the waiting list – **we will then contact you to let you know whether a space is available.** Where the club is a paid one provided by an external provider you will need to contact them directly to arrange payment and permissions etc.
