

Superintendent's Weekly Message

August 8, 2025

Welcome Back SFISD :)

Let the 2025-2026 school year begin! We are so excited to welcome all of our students and staff back to SFISD. Thank you to everyone who made our "Open House" and "Meet the Teacher" nights so successful this past week. Awesome job.

We will have our first **Transition Day** in SFISD on Monday, August 11th. We are preparing to welcome all Pre-K, Kindergarten, 6th Grade, and 9th Grade students to our campuses. Thank you to ALL of the teachers and staff for your help in making this happen.

Tuesday, August 12th, will be the *first official day of school* for ALL students. We will welcome back over 4,000 kiddos to SFISD. We know that you are working hard to prepare for their arrival. Please do not hesitate to reach out to us if you need any additional help or support :)

On behalf of our *School Board and our entire SFISD administration*, we want to express our sincerest appreciation for ALL your hard work and commitment to Santa Fe ISD. We are thankful for all of you.

As always, we invite you to come out to support our Indians *whenever possible* during this upcoming school year. The students love to see their teachers & staff showing energy and support. **Let's GO INDIANS!!**

We pray for a safe and blessed school year for all of you. Be sure to take care of your families and yourselves :)

Have a restful weekend,

~ KB
