“As a 25 year old school, CCS has retained the original vision and is quite likely exceeding what may have been imagined. That testimony to God’s work is solid and life-giving.”

-ACSI Accreditation Team 2021

OUR MISSION

The mission of Crossings Christian School is to partner with parents and church to develop students into Christ-centered servant leaders who are academically and spiritually prepared for college and life.

OUR SCHOOL

Crossings Christian School (CCS) was founded with an initial enrollment of just 39 preschool students. In 2011, CCS marked its first graduation class of one student. CCS celebrated 25 Years of Christian education and has grown to be the largest private school in Oklahoma City, now serving over 1,200 students from preschool through twelfth grade. This remarkable growth reflects our community’s strong desire for a college preparatory curriculum within a Christian environment.

In the 2025-26 school year

- approximately 13% of students represent diverse backgrounds
- approximately 22% of students received tuition assistance

Total Enrollment for 2025-26

Preschool	153
Lower School (Grades K-4)	400
Middle School (Grades 5-8)	319
Upper School (Grades 9-12)	322

OUR CURRICULUM

For the Upper School, the academic program is organized by seven 50 minute class periods. The academic year is divided into two semesters, each approximately 18 weeks in length. Students are required to take six, for-credit classes per semester. All students must earn 25 credits to graduate and many earn the Distinguished Achievement diploma which requires 27 credits. In addition, each student must complete the 100 hour service hour community service graduation requirement.

If a student has been found responsible for a disciplinary violation that results in out-of-school suspension in grades 9 - 12, it is Crossing Christian School’s policy to report the incident to any college or university that requests such information.

GRADING SCALE

B	80-89	3	3.5	4
C	70-79	2	2.5	3
D	60-69	1	1.5	2

- GPA is computed using the above quality points. AP and Dual Credit classes are weighted an additional 1 quality point. Honors classes are weighted an additional 0.5 quality point.
- All Upper School courses taken at Crossings Christian School, whether passed or failed, are included on the transcript.
- Only courses taken at Crossings Christian School are reflected on the transcript.
- With the exception of Valedictorian and Salutatorian, school policy eliminated class rank beginning with the Class of 2011.
