Lakeside Park Elementary
Title I Annual Meeting

Welcome!

What is Title I?

- A national program
- The largest federal assistance program for our nation's schools
- Helps ensure quality instruction and equal opportunities for ALL students, providing extra help for all students, especially those who need additional support

- Partnership with families; Family feedback is encouraged!

Why is Lakeside a Title I school?

Lakeside Park qualifies for this federal funding based on our school's percentage of students qualifying for free and reduced lunches.

*It is very important for families who may qualify to complete the free and reduced lunch application each year to keep our funds.

Title I funds and events are not the same as PTO.

Title I funds can only be used for Instruction, Family Engagement, and Professional Development. For example:

- Title I reading teacher + full-time parapro and a second part-time reading interventionist.
- Family engagement—author visit/Family Literacy Night, One Book Blitz reading event, extended break activities, book giveaways, readiness bags for upcoming Kindergartners, schoolwide assemblies
- Technology–online educational subscriptions, iPads, iPad pens, Apple TVs, large screens
- EXTRA instructional materials–curriculum materials, books for students to keep, books for students to borrow each night
- Professional Learning for staff
