Fulton County Schools
Where Students Come First

Work-Based Learning (WBL) Program

INFORMATION & REQUIREMENTS

PROGRAM HIGHLIGHTS

WBL students gainvaluable real-world work experiences by engaging in internships, externships, field experiences and part-time jobs. WBL students also have various opportunities to network with industry professionals. which enhances the employability skills they learn in the WBL program.

Competitions and Events: CTSO Competitions, SkillsUSA & FCCLA

WBL BENEFITS

- Increases motivationby showing the relevance between school and work.
- Provides opportunities to explore possible career field.
- Gives a realistic view of specific career fields.
- Helps to develop workplace responsibility, positive attitudes, and work ethics.

REQUIREMENTS

Arising 11th or 12th grade students on track for graduation. Completed a Career, Technical, and Agricultural Education (CTAE) Pathway at CCA.
Recommended by a CTAE teacher, homeschool teacher, and counselor.
Have parent permission and parent and student must attend orientation meeting.
Have a job, internship, or apprenticeship with reliable transportation to work and off campus at the beginning of the WBL Block. (Must immediately leave the school campus.)

EMPLOYABILITY SKILLS DIPLOMA SEAL

Students will receive the Employability Skills Diploma Seal once they successfully complete all required employability skills training and practicum.
