Teacher/Staff Recognitions

Each year the Maywood School District honors its staff with awards in the form of Teacher of the Year recognitions. The District revamped this program at the end of last school year to allow for the recognition of a Teacher of the Year at each school, an Educational Support Person of the Year at each school, and for the first time for Maywood, a District Governor's Teacher of the Year. We are proud to announce these outstanding family members below as the 2024-25 award recipients.
