XII. REPORTS

1. Superintendent's Report: David Roth, Ph.D.

   Superintendent Roth began his report by acknowledging the moment of silence held at the start of the meeting in memory of Josiah and his mother, Marissa, who tragically passed away nearly two weeks prior. He shared that the loss deeply affected families and staff across the district's three main communities, El Dorado Hills, Cameron Park, and Shingle Springs, highlighting how interconnected the community is.

   Superintendent Roth commended the tremendous outpouring of love and support from staff, families, and the wider community. Special recognition was given to Blue Oak Elementary Principal, Julie Hughes, for her leadership, along with other site principals, district administrators, school psychologists, and counselors who quickly mobilized to provide support to students and staff. District teams coordinated immediate mental health support beginning Friday and continuing into the weekend, with open access to grief counseling at the Blue Oak Elementary library.

Superintendent Roth expressed deep gratitude to several external partners who quickly responded with support:

- Summit View Child and Family Services, for providing grief counselors for both individual and class-wide support sessions.
- Levi Cambridge (Principal at Marina Village) and team, for sending a counselor to assist onsite.
- Cameron Park and Shingle Springs Rotary, for providing lunch to staff during a difficult time.
- Foothill Church, for delivering care baskets for teachers and staff at the end of the day.
- El Dorado County Sheriff's Department, for seamless communication and partnership during a sensitive situation.
- El Dorado County Office of Education, for outreach and support, particularly for staff in the shared extended day program.

Superintendent Roth noted that students continue to find ways to express support to Josiah's sister, who is still attending Blue Oak Elementary. He reminded everyone that grief is not linear and emphasized the importance of continued attention to the emotional well-being of students and staff in the coming weeks and months.

He concluded by announcing that a public memorial service for Josiah and Marissa would be held at **Foothill Church on September 6 at 11:00 a.m.**, and extended continued condolences and support to the family and all members of the district touched by this tragedy. He expressed pride in how the school community came together during an extraordinarily difficult time.

Preface

The Buckeye Union School District is committed to providing an environment free of violence or threats of violence and to safeguarding all students, employees and all other guests entering District property.

The Buckeye Union School District prohibits and will not tolerate any form of workplace violence by any employee or third party, including employees, vendors, visitors, parents, students, or others, either on any District property or at any District-sponsored events. This Workplace Violence Prevention Plan ("WVPP" or "Plan") is intended to supplement the District's Comprehensive School Safety Plan developed pursuant to Education Code § 32281 and general Injury and Illness Prevention Program ("IIPP") required by 8 CCR § 3203. This Plan is in effect at all times in all work areas and is intended to be specific to the hazards and corrective measures for each work area and operation

In accordance with Section 6401.9 of the Labor Code, this Workplace Violence Prevention Plan fulfills the requirements of Senate Bill 553 (effective July 1, 2024), approved by the Governor and filed with Secretary of State September 30, 2023. Specifically, information regarding SB 553-Restraining orders and Workplace Violence Prevention Plan is as follows:

- Existing law authorizes any employer, whose employee has suffered unlawful violence or a credible threat of violence from any individual that can reasonably be construed to be carried out or to have been carried out at the workplace, to seek a temporary restraining order and an order after hearing on behalf of the employee and other employees at the workplace, as described.

- Commencing January 1, 2025, a collective bargaining representative of an employee, as described, is authorized to seek a temporary restraining order and an order after hearing on behalf of the employee and other employees at the workplace, as described. The employer or collective bargaining representative of an employee, before filing such a petition, is to provide the employee who has suffered unlawful violence or a credible threat of violence from any individual an opportunity to decline to be named in the temporary restraining order. An employee's request to not be named in the temporary restraining order would not prohibit an employer or collective bargaining representative from seeking a temporary restraining order on behalf of other employees at the workplace, and, if appropriate, other employees at other workplaces of the employer. Reference Senate Bill 553 for full details.

Additionally, Senate Bill 906 (effective July 1, 2023) requires school officials whose duties involve regular contact with pupils in any of grades 6 to 12, inclusive, as part of a middle school or high school, and who is alerted to or observes any threat or perceived threat to immediately report the threat or perceived threat to law enforcement, as provided.
The overlap of these codes and requirements are referenced herein.

The California Occupational Safety and Health Act of 1973 imposes safety responsibilities on employers and employees, including the requirement that an employer establish, implement, and maintain an effective injury prevention program, and makes specified violations of these provisions a crime. The act is enforced by the Division of Occupational Safety and Health (division) within the Department of Industrial Relations, including the enforcement of standards adopted by the Occupational Safety and Health Standards board (standards board).

Effective on and after July 1, 2024, Employers, as specified, are required to:

- establish, implement, and maintain, at all times in all work areas, an effective workplace violence prevention plan containing specified information
- record information in a violent incident log for every workplace violence incident, as specified
- provide effective training to employees on the workplace violence prevention plan, among other things, and provide additional training when a new or previously unrecognized workplace violence hazard has been identified and when changes are made to the plan
- create and maintain records of workplace violence hazard identification, evaluation, and correction and training and violent incident logs and workplace incident investigation records, as specified

- make certain records available to the division, employees, and employee representatives, as specified
- include the workplace violence prevention plan (WVPP) as part of their effective injury prevention program (IIPP), a violation of which is a misdemeanor in specified circumstances.

In addition, Employers are authorized to appeal a citation and penalty, as specified.

The division:

- is required to issue, with reasonable promptness, a citation to an employer if, upon inspection or investigation, the division believes the employer has violated any standard, rule, order, or regulation established pursuant to specified provisions of law
- adheres to specific procedures for issuance of the citation
- provides there is a rebuttable presumption that a violation is enterprise-wide if an employer has multiple worksites and the division has evidence of a pattern or practice of the same violation or violations committed by the employer involving more than one of their worksites, or if the employer has a written policy or procedure that violates specified provisions of law, except as provided
- is authorized to impose certain civil penalties pursuant to specified law, including when any employer violates any occupational safety or health standard, order, or special order, depending on whether the violation is serious
- is required to enforce the workplace violence prevention plan and related requirements by issuance of a citation and a notice of civil penalty, as specified
- is required to propose, no later than December 1, 2025, and the standards board to adopt, no later than December 31, 2026, standards regarding the plan required by Senate Bill 553, as specified.

Workplace Violence Prevention Plan

1. For purposes of this section, the following definitions apply:
   - "Emergency" means unanticipated circumstances that can be life threatening or pose a risk of significant injuries to employees or other persons.

     - "Workplace violence" includes, but is not limited to, the following:
     - The threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma, or stress, regardless of whether the employee sustains an injury.
     - An incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury.
   - The following four workplace violence types:
     - "Type 1 violence," which means workplace violence committed by a person who has no legitimate business at the worksite, and includes violent acts by anyone who enters the workplace or approaches workers with the intent to commit a crime.
     - "Type 2 violence," which means workplace violence directed at employees by customers, clients, patients, students, inmates, or visitors. This includes parents, vendors and contractors.
     - "Type 3 violence," which means workplace violence against an employee by a present or former employee, supervisor, or manager.

5. Without fear of reprisal, district employees, other employers and their employees are to report violent incidents, threats, or other workplace violence concerns to the district contact below or law enforcement. When applicable, the District will share information with other employers and their employees. Other employers and their employees' respective roles include participation in the Workplace Violence Prevention Plan for reporting, investigation and recording incidents.

6. Employees are to report workplace violence to the Workplace Violence Prevention Plan Coordinator. The Workplace Violence Prevention Plan Coordinator will investigate reports. Retaliation will be prohibited by including that information in the plan, in employee training and retraining programs, in follow-up as part of an investigation and possible disciplinary action.

AGENDA ITEM #: XV.2.

ACTION: Consideration/Adoption of *Resolution No.* Resolution No. ***26-03***: The 2024/2025 Appropriations Limit Recalculation and the 2025/2026 Estimated Appropriations Limit Calculation (Gann Limit)

SITUATION:

The Gann Limit (named for Paul Gann, the author of Proposition 4, which amended the State Constitution to establish this limit) is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation (represented by per capita personal income) and caseloads (represented by average daily attendance [ADA] for schools).

Established in 1979 following the enactment of Proposition 13 and subsequently amended by Proposition 111, the Gann Limit has become a largely pro forma calculation that no longer constrains governmental expenditures. This is because the limit has grown significantly faster than appropriations subject to the limit.

PLAN:

The plan is to have the Board approve Resolution No. 26-03 adopting the 2024/2025 Appropriations Limit Recalculation and the 2025/2026 Estimated Appropriations Limit Calculation as prepared by staff.

FISCAL IMPACT:

None

LONG RANGE GOAL:

N/A - School agencies are required to perform Gann Limit calculations by the State Constitution.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board approve Resolution No. 26-03 adopting the 2024/2025 Appropriations Limit Recalculation and the 2025/2026 Estimated Appropriations Limit Calculation (Gann Limit) as prepared by staff.

BEFORE THE GOVERNING BOARD OF THE BUCKEYE UNION SCHOOL DISTRICT
Resolution No. 26-03

RESOLUTION FOR ADOPTING THE "GANN" LIMIT

WHEREAS, in November, 1979, the California electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIIIB to the California Constitution; and,

WHEREAS, the provisions of that Article establish maximum appropriation limitations, commonly called "Gann Limits", for public agencies including school districts; and,

WHEREAS, the District must establish a Gann Limit for the 2024-25 fiscal year and a projected Gann Limit for the 2025-26 fiscal year in accordance with the provisions of Article XIIIB and applicable statutory law; and,

WHEREAS, the change in statutory law enacted by Assembly Bill 439, Chapter 134 of the statutes of 1987, increased the amount of state aid which counts toward the District's Gann Limit; and,

WHEREAS, Section 7902.1 of the Government Code authorizes a District to increase its Gann Limit up to the level of the District's appropriations subject to limitation provided that the District informs the state of this action so that the state shall decrease its Gann Limit by a like amount.

NOW, THEREFORE, THE GOVERNING BOARD OF THE BUCKEYE UNION SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the above recitals are all true and correct.

Section 2. That the Governing Board of the District hereby provides public notice that the attached calculations and documentation of the Gann Limits for the 2024-25 and 2025-26 fiscal years are made in accordance with applicable constitutional and statutory law;

Section 3. That the Governing Board of the District hereby declares that the appropriations in the budget for the 2024-25 and 2025-26 fiscal years do not exceed the limitations imposed by Proposition 4;

Section 4. That District Superintendent or the Superintendent's designee shall provide copies of this resolution along with the appropriate attachments to interested citizens of this District, upon request.

Section 5. The District Superintendent or the Superintendent's designee is further authorized to take any further actions necessary to carry out the intent of this Resolution.

Section 6. Such processes and measures shall include, but are not limited to, fiscal accountability systems, multiple measures for evaluating the educational program, inspection and observations of any part of the charter school, and regular reports to the Board.

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

The Board may approve one or more memoranda of understanding (MOU) to clarify the financial and operational agreements between the district and the charter school. Any such MOU shall be annually reviewed by the Board and charter school governing body and amended as necessary.

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

When a petition is approved by the Board, it shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the petition to the County Superintendent, CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall summarily deny any charter petition that proposes to:

1. Operate a charter school as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization (Education Code 47604)

2. Convert a private school to a charter school (Education Code 47602)

3. Serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district (Education Code 47605)

   Offer nonclassroom-based instruction from January 1, 2020, to January 1, 2026 per Education Code 47612.7.

Regarding all other charter petitions, the Board shall deny a petition only if the Board makes written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605; 5 CCR 11967.5.1)

1. The charter school presents an unsound educational program that has a likelihood of physical, educational, or psychological harm to, or which is not likely to provide an educational benefit for, the students to be enrolled in the charter school

2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition

3. The petition does not contain the number of signatures required

4. The petition does not contain a clear, unequivocal statement described in Education Code 47605(e), including that the charter school will be nonsectarian and that the school shall not charge tuition or discriminate against any student based on the characteristics specified in Education Code 220

5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(c)

6. The petition does not contain a declaration as to whether the charter school shall be deemed the exclusive public employer of the school's employees for purposes of collective bargaining pursuant to Government Code 3540-3549.3

7. The charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate

   Analysis of this finding shall include consideration of the fiscal impact of the proposed charter school. A written factual finding shall detail specific facts and circumstances that analyze and consider the following factors:

   a. The extent to which the proposed charter school would substantially undermine existing services, academic offerings, or programmatic offerings

   b. Whether the proposed charter school would duplicate a program currently offered within the district,

DRAFT

when the existing program has sufficient capacity for the students proposed to be served within reasonable proximity to where the charter school intends to locate

8. The district is not positioned to absorb the fiscal impact of the proposed charter school

   The district meets this criterion if it has a negative interim certification, has a qualified interim certification and the County Superintendent certifies that approving the charter school would result in the district having a negative interim certification, or is under state receivership.

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll students with disabilities who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

Appeals

If the Board denies a petition, the petitioner may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to SBE. (Education Code 47605)

At the request of the petitioner, the Board shall prepare the documentary record, including a transcript of the public hearing at which the Board denied the charter, no later than 10 business days after the petitioner makes the request. (Education Code 47605)

Within 30 days of receipt of an appeal submitted to SBE, the Board may submit a written opposition to SBE, which may include supporting documentation, detailing, with specific citations to the documentary record, how the Board did not abuse its discretion in denying the petition. (Education Code 47605)

If either the County Board or SBE remands the petition to the Board because the petition on appeal contains new or different material terms, the Board shall reconsider the petition and shall grant or deny the petition within 30 days. (Education Code 47605)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to petitions for the authorization of charter schools as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

The Board shall determine whether a proposed change in charter school operations would constitute a material revision of the approved charter.

If an approved charter school proposes to expand operations to one or more additional sites or grade levels, whether concurrently with or unrelated to a renewal, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations or grade levels. The Board shall consider approval of the additional locations or grade levels at an open, public meeting. (Education Code 47605, 47607)

The Board may deny a proposed material revision if it finds that the proposed material revision would render the charter school demonstrably unlikely to serve the interests of the entire community in which the school is located or proposes to locate. In making this finding, the Board shall consider all of the following: (Education Code 47605)

1. The fiscal impact of the proposed expansion on the district

2. The extent to which the expansion would substantially undermine existing services, academic offerings, or programmatic offerings

3. Whether the expansion would duplicate a program currently offered within the district that has sufficient capacity for the students proposed to be served within reasonable proximity to where the charter school intends to locate

Additionally, the Board may deny a proposed material revision if it finds that the district is not positioned to absorb the fiscal impact of the proposed material revision. The Board shall make this finding if the district has a qualified interim certification pursuant to Education Code 42131 and the County Superintendent, in consultation with the

County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the district having a negative interim certification pursuant to Education Code 42131, the district has a negative interim certification pursuant to Education Code 42131, or the district is under state receivership. (Education Code 47605)

   The goals identified in that program shall include the objective of enabling students to become self-motivated, competent, and lifelong learners.

2. The charter school's annual goals for all students and for each numerically significant subgroup of students identified pursuant to Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, long term English learners, students with disabilities, foster youth, and students experiencing homelessness

   These goals shall be aligned with the state priorities listed in Education Code 52060 that apply to the grade levels served. The petition also shall describe specific annual actions to achieve those goals. The petition may identify additional priorities established for the proposed school, goals aligned with those priorities, and specific annual actions to achieve those goals.

   If the proposed charter school will serve high school students, the petition shall describe the manner in which the school will inform parents/guardians about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable, and courses approved by the University of California or the California State University as creditable under the "A-G" admissions criteria may be considered to meet college entrance requirements.

3. The measurable student outcomes identified for use by the charter school

   Student outcomes means the extent to which all students of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program, including outcomes that address increases in student academic achievement both schoolwide and for each numerically significant subgroup of students served by the charter school. 10. The charter school's student admission policy
11. The petition shall, in accordance with Education Code 47605(e), specify procedures for determining enrollment when the number of applicants exceeds the school's capacity, including requirements for the use of a public random drawing, admission preferences, and priority order of preferences as required by law and subject to Governing Board approval.

12. The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the Board's satisfaction

13. The procedures by which students can be suspended or expelled for disciplinary reasons or otherwise involuntarily removed for any reason, including an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements as specified in Education Code 47605 and 47605.6

    Such procedures shall contain a clear statement that no student shall be involuntarily removed by the charter school for any reason unless written notice of the intent to remove the student is given to the student's parent/guardian at least five schooldays before the effective date of the removal. Policy 0420.41: Charter School Oversight

Status: DRAFT

Original Adopted Date: 06/27/2018 **| Last Revised Date:** 06/28/2023

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter.

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent may designate someone to attend meetings of the charter school governing body whenever possible.

Monitoring Charter School Performance

Any charter school authorized by the Board shall be monitored by the Superintendent or designee to determine whether the charter school complies with all legal requirements applicable to charter schools, including all reports required of charter schools by law, as specified in Education Code 47604.32. Any violations of law shall be reported to the Board.

The Superintendent or designee and the governing bodies of charter schools authorized by the Board shall review new laws and regulations applicable to charter schools.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable memorandum of understanding (MOU), and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, LCAP and annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the Board approve and the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to SBE on behalf of the charter school.

Provision of District Services

Upon approval by the Board of an appropriate agreement, the charter school may contract with the district or any other source for administrative or other services. (Education Code 47613)

Whenever the district agrees to provide administrative or support services to a charter school, the district and the charter school shall develop a MOU, which clarifies the financial and operational agreements between them.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Location of Charter Schools

Except when permitted to operate outside district boundaries pursuant to Education Code 47605 and 47605.1, a charter school shall be located within district boundaries.

Fees/Charges for Supervisorial Oversight

The district may charge for district supervisorial oversight as follows: (Education Code 47613; 5 CCR 11969.7)

1. Actual costs up to one percent of the charter school's revenue

2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities

   If the district provides the charter school with facilities under Education Code 47614 and charges the charter school a pro-rata share of the facilities costs calculated pursuant to 5 CCR 11969.7, the district may only charge the charter school for the actual costs of supervisorial oversight up to one percent of the charter school's revenue.

3. Actual costs if the district is assigned supervisorial oversight responsibility for the charter school by SBE when authorized on appeal

Technical Assistance/Intervention

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent of Schools. Such technical assistance shall be focused on building the charter school's capacity to develop and implement actions and services responsive to student and community needs, including, but not limited to, any of the following: (Education Code 47607.3)

1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605(c)

   This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.

2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school

   Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

3. Obtaining from the charter school timely documentation demonstrating that it has completed the activities described in Items #1 and 2 or substantially similar activities, or has selected another service provider to work with the charter school to complete the activities described in Items #1 and 2 or substantially similar activities, and ongoing communication with the Board to assess the charter school's progress in improving student outcomes

In addition, if, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the County Superintendent may request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074. (Education Code 47607.3; 52072)

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to inadequate academic achievement of all numerically significant subgroups of students served by the charter school. (Education Code 47607, 47607.2)

Complaints

Each charter school shall establish and maintain policies and procedures in accordance with the uniform complaint

procedures as specified in 5 CCR 4600-4670 to enable any person alleging the school's noncompliance with Education Code 47606.5 or 47607.3 to file a complaint with the charter school. (Education Code 52075)

A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter school and/or an applicable agreement between the district and the charter school, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out of the charter school.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of a charter is denied, a charter is revoked, or a charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

Status: ADOPTED

Original Adopted Date: 06/27/2018 **| Last Revised Date:** 06/28/2023 **| Last Reviewed Date:** 06/28/2023

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent or designated charter school contact may attend meetings of the charter school governing body whenever possible and shall periodically meet with a representative of the charter school.

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to SBE on behalf of the charter school.

Provision of District Services

The charter school may purchase administrative or other services from the district or any other source. (Education Code 47613)

Whenever the district agrees to provide administrative or support services to a charter school, the district and the charter school shall develop a memorandum of understanding (MOU) which clarifies the financial and operational agreements between them.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to petitions for the authorization of charter schools as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

The Board shall determine whether a proposed change in charter school operations would constitute a material revision of the approved charter.

If an approved charter school proposes to expand operations to one or more additional sites or grade levels, whether concurrently with or unrelated to a renewal, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations or grade levels. The Board shall consider approval of the additional locations or grade levels at an open, public meeting. (Education Code 47605, 47607)

Pursuant to Education Code 47605, the Board may deny a request to expand operations if it finds that the proposed expansion would render the charter school demonstrably unlikely to serve the interests of the entire community in which the school is located or proposes to locate. In making this finding, the Board shall consider all of the following:

1. The fiscal impact of the proposed expansion on the district

2. The extent to which the expansion would substantially undermine existing services, academic offerings, or programmatic offerings

3. Whether the expansion would duplicate a program currently offered within the district that has sufficient capacity for the students proposed to be served

Additionally, pursuant to Education Code 47605, the Board may deny a request to expand charter school operations if it finds that the district is not positioned to absorb the fiscal impact of the proposed charter school expansion. The Board shall make this finding if the district has a qualified interim certification pursuant to Education Code 42131 and the County Superintendent of Schools, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the district having a negative interim certification pursuant to Education Code 42131, or if the district has a negative interim certification pursuant to Education Code 42131, or is under state receivership.

Location of Charter Schools

Except when permitted to operate outside district boundaries pursuant to Education Code 47605 and 47605.1, a charter school shall be located within district boundaries. (Education Code 47605.1)

Monitoring Charter School Performance

Any charter school authorized by the Board shall be monitored by the Superintendent or designee to determine whether the charter school complies with all legal requirements applicable to charter schools, including all reports required of charter schools by law, as specified in Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable MOU, and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, LCAP and annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

1. Actual costs up to one percent of the charter school's revenue.

2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities

   If the district provides the charter school with facilities under Education Code 47614 and charges the charter school a pro-rata share of the facilities costs calculated pursuant to 5 CCR 11969.7, the district may only charge the charter school for the actual costs of supervisorial oversight up to one percent of the charter school's revenue.

3. Actual costs if the district is assigned supervisorial oversight responsibility for the charter school by SBE when authorized on appeal

Technical Assistance/Intervention

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent. 1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605(c). This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.

2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school. Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

(Education Code 47607, 47607.2)

Complaints

Each charter school shall establish and maintain policies and procedures in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670 to enable any person alleging the school's noncompliance with Education Code 47606.5 or 47607.3 to file a complaint with the charter school. (Education Code 52075)

A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

5. The governing body is required, by July 1, 2026, to develop, in conjunction with students, parents/guardians, and charter school employees, adopt, and update every five years, a policy to limit or prohibit student use of smartphones while at a school site or under the supervision and control of charter school employee(s) (Education Code 48901.7)

6. On or before July 1, 2026, develop, adopt, implement and annually review weather protocols for extreme weather conditions

       If a charter school will be physically located in a public elementary school attendance area in which 50 percent or more of the student enrollment is eligible for free or reduced-price meals, it may also establish an admission preference for students who are currently enrolled in that public elementary school and for students who reside in the public school attendance area. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, an appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization (5 CCR 4600)

2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance (Education Code 49013, 52075)

4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying (5 CCR 4630)

5. DRAFT

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the complaint within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

The compliance officer shall begin an investigation into the complaint within 10 business days of receiving the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

Investigation Report

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered

2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law

3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600

4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610

5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, or bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE (Education Code 262.3)

2. The 60-day moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education's Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school practices or procedures; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

2. Academic support

3. Health services

4. Assignment of an escort to allow the victim to move safely about campus

5. Information regarding available resources and how to report similar incidents or retaliation

DRAFT

6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim

7. Restorative justice

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law

2. Parent/guardian conference

3. Education regarding the impact of the conduct on others

4. Positive behavior support

5. Referral to a student success team

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

(Education Code 49013; 5 CCR 4600)

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program; applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, harassment, intimidation, or bullying; applicable standards for reaching decisions on complaints; and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, an appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues

its final written decision, whichever occurs first.

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization (5 CCR 4600)

2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance (Education Code 49013, 52075)

   A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. (Education Code 49013)

3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred (5 CCR 4630)

   For complaints related to the LCAP, the date of the alleged violation is the date when the County Superintendent of Schools approves the LCAP that was adopted by the Governing Board. (5 CCR 4630)

4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying (5 CCR 4630)

5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination (5 CCR 4630)

   The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation

7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action

   When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the complaint within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

The compliance officer shall begin an investigation into the complaint within 10 business days of receiving the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

Investigation Report

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered

2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law

3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600

4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610

5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, or bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE (Education Code 262.3)

2. The 60-day moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education's Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school practices or procedures; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

2. Academic support

3. Health services

4. Assignment of an escort to allow the victim to move safely about campus

5. Information regarding available resources and how to report similar incidents or retaliation

6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim

7. Restorative justice

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law

2. Parent/guardian conference

3. Education regarding the impact of the conduct on others

4. Positive behavior support

5. Referral to a student success team

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

For complaints alleging noncompliance with the law regarding student fees, the district, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the district's investigation report. (5 CCR 4632)

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including at least one of the following: (5 CCR 4632)

2. Relative to the allegations of the complaint, the district's investigation report lacks material findings of fact necessary to reach a conclusion of law

3. The material findings of fact in the district's investigation report are not supported by substantial evidence
4. The legal conclusion in the district's investigation report is inconsistent with the law
5. In a case in which the district found noncompliance, the corrective actions fail to provide a proper remedy

Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

If notified by CDE that the district's investigation report failed to address allegation(s) raised by the complaint, the district shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not addressed in the original investigation report. The amended report shall also inform the appellant of the right to separately appeal the amended report with respect to the allegation(s) that were not addressed in the original report. (5 CCR 4632)

Status: DRAFT

Original Adopted Date: 06/06/2013 | **Last Revised Date:** 06/28/2023

The Governing Board is determined to provide a safe, positive environment where all district employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy and accompanying administrative regulation, employees include interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of one, or a combination of two or more, protected characteristics which include, but may not be limited to, the employee's actual or perceived race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; religious creed; age; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; reproductive health decision-making; breastfeeding or related medical conditions; and parental, marital, and family status; or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 200, 210.1, 210.2, 212, 212.1, 220, 230, 260; Government Code 11135, 12920, 12926, 12940; 20 USC 1681-1688, 29 USC 621, 42 USC 2000d-2000d-7, 2000e-2)

The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that such inquiry is necessary to comply with federal immigration law. (2 CCR 11028)

In addition, unless otherwise provided for in law, the district may not discriminate against an employee in any term or condition of employment, or otherwise penalize a person, including termination, based on the person's use of cannabis off the job and away from the workplace, or on a drug screening which finds that the person has nonpsychoactive cannabis metabolites in the person's hair, blood, urine, or other bodily fluid. However, the district retains the right to maintain drug-free schools or prohibit employees from possessing, being impaired by, or using cannabis while on the job. (Government Code 12954)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment

2. Taking adverse employment actions such as termination or denial of employment, promotion, job assignment, or training

3. Unwelcome conduct, whether verbal, physical, or visual, that is offensive and so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment

4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:

    a. Sex discrimination based on one, or a combination of two or more protected characteristics, which include, but may not be limited to, an employee's pregnancy, childbirth, breastfeeding, or any related medical condition, or on an employee's gender, gender expression, gender identity, or sexual orientation

    b. Religious creed discrimination based on an employee's religious belief, observance, and practice, including religious dress or grooming practices, or based on the district's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement

    c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

e. Requiring an employee to disclose information relating to the employee's reproductive health decision-making

f. Including a statement in a job advertisement, posting, application, or other material that an applicant is required to have a driver's license, unless the district reasonably expects driving to be one of the job functions for the position and reasonably believes that satisfying the job function using an alternative form of transportation would not be comparable in travel time or cost to the district

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be required to sign a release of the employee's claim or right to file a claim against the district or a nondisparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated district coordinator within one workday. The Superintendent or designee shall regularly review the district's employment practices and, as necessary, shall take action to ensure district compliance with the nondiscrimination laws.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation. However, when the district is notified that a complaint has been filed with the California Civil Rights Department, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, appeals, or related proceedings have been terminated. The Board prohibits discrimination, harassment, and/or retaliation against any district employee for seeking an accommodation to express breast milk for an infant child while at work.

An employee shall notify the employee's supervisor or other appropriate district administrator in advance of the intent to request an accommodation. The supervisor or appropriate district administrator shall respond to the request and shall work with the employee to make arrangements. Regulation 4119.12: Title IX Sexual Harassment Complaint Procedures **Status:** DRAFT

Original Adopted Date: Pending

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity, in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the district's education program or activity

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

   Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness

3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45

4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process

5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

   The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement

activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility

7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment

8. Include the procedures and permissible bases for the complainant and respondent to appeal

9. Describe the range of supportive measures available to complainants and respondents

10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared

2. Obtains the parties' voluntary, written consent to the informal resolution process

3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

   Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process

4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence

5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence

3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate

6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report

DRAFT

8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30

2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process

3. Findings of fact supporting the determination

4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties

2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

4. Issue a written decision describing the result of the appeal and the rationale for the result

5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom

2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances

3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

DRAFT

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

DRAFT

Regulation 4219.12: Title IX Sexual Harassment Complaint Procedures **Status:** DRAFT

Original Adopted Date: Pending

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity, in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the district's education program or activity

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

   Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness

3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45

4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process

5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

   The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement

activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility

7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment

8. Include the procedures and permissible bases for the complainant and respondent to appeal

9. Describe the range of supportive measures available to complainants and respondents

10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared

2. Obtains the parties' voluntary, written consent to the informal resolution process

3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

   Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process

4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence

5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence

3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate

6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report

DRAFT

8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30

2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process

3. Findings of fact supporting the determination

4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties

2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

4. Issue a written decision describing the result of the appeal and the rationale for the result

5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom

2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances

3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

DRAFT

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

Regulation 4319.12: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: Pending

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity, in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the district's education program or activity

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or against employees shall be investigated and resolved in accordance with Administrative Regulation 4030 - Nondiscrimination in Employment. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Administrative Regulation 4030 - Nondiscrimination in Employment are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

   Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness

3. Ensure that the Title IX Coordinator, investigator, or decisionmaker, any person that facilitates an information resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45

4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process

5. Include reasonably prompt timeframes for the conclusion of the grievance procedures, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

   The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement

activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility

7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment

8. Include the procedures and permissible bases for the complainant and respondent to appeal

9. Describe the range of supportive measures available to complainants and respondents

10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If a student is the respondent, the district may remove the student from the district's education program or activity, on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals," below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Administrative Regulation 4030 - Nondiscrimination in Employment, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)

The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing employment. (34 CFR 106.45)

As a part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared

2. Obtains the parties' voluntary, written consent to the informal resolution process

3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident

   Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process

4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence

5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence

3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate

6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report

DRAFT

8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30

2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process

3. Findings of fact supporting the determination

4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties

2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

4. Issue a written decision describing the result of the appeal and the rationale for the result

5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom

2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances

3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

DRAFT

The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)
2. A record of the investigation procedures followed
3. A record of the written determination
4. A record of the corrective action implemented, if any
5. A record of any appeals and the outcome of the same
6. All training materials addressing the prohibition and investigation of childhood sexual assault

Additionally, the Superintendent or designee shall indefinitely maintain a record of insurance which evidences the district's coverage for acts of sexual assault.

Regulation 5131.41: Use Of Seclusion And Restraint

Status: DRAFT

Original Adopted Date: 08/14/2019 **| Last Revised Date:** 06/28/2023

District staff shall enforce standards of appropriate student conduct in order to provide a safe and secure environment for students and staff on campus, but are prohibited from using seclusion and behavioral restraint to control student behavior except as authorized by law when the behavior poses a clear and present danger of serious physical harm to the student, other students, or others on campus, and that cannot be immediately prevented by a less restrictive response.

Definitions

Behavioral restraint includes mechanical restraint or physical restraint used as an intervention when a student presents an immediate danger to self or to others. Behavioral restraint does not include postural restraints or devices used to improve a student's mobility and independent functioning rather than to restrict movement. (Education Code 49005.1)

Mechanical restraint means the use of a device or equipment to restrict a student's freedom of movement. Mechanical restraint does not include the use of devices as prescribed by an appropriate medical or related services professional, including, but not limited to, adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment; vehicle safety restraints during the transport of a student; restraints for medical immobilization; or orthopedically prescribed devices which permit a student to participate in activities without risk of harm. Mechanical restraint also does not include the use of devices by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Physical restraint means a personal restriction that immobilizes or reduces the ability of a student to move the torso, arms, legs, or head freely. Physical restraint does not include a physical escort in which a staff member temporarily touches or holds the student's hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location. Physical restraint also does not include the use of force by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Seclusion means the involuntary confinement of a student alone in a room or an area from which the student is physically prevented from leaving. Seclusion does not include a timeout involving the monitored separation of the student in an unlocked setting, which is implemented for the purpose of calming the student. (Education Code 49005.1)

Prohibitions

Seclusion and behavioral restraint of students shall not be used in any form as a means of coercion, discipline, convenience, or retaliation. (Education Code 49005.8)

Additionally, staff shall not take any of the following actions: (Education Code 49005.2, 49005.8)

1. Administer a drug that is not a standard treatment for a student's medical or psychiatric condition in order to control the student's behavior or restrict the student's freedom of movement

2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use as a locked room

3. Use a physical restraint technique that obstructs a student's respiratory airway or impairs a student's breathing or respiratory capacity, including a technique in which a staff member places pressure on the student's back or places the staff member's body weight against the student's torso or back

4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, the use of a pillow, blanket, carpet, mat, or other item to cover a student's face

5. Use prone restraint, defined as the application of a behavioral restraint on a student in a facedown position for any period of time and includes prone containment (Education Code 49005.1)

6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the student or others

Limited Use of Seclusion or Restraint

Staff shall avoid the use of seclusion and behavioral restraint of students whenever possible. Seclusion or behavioral restraint may be used only to control student behavior that poses a clear and present danger of serious physical harm to the student or others, which cannot be immediately prevented by a response that is less restrictive. (Education Code 49005.4, 49005.6, 49005.8)

When used, seclusion or restraint shall not be applied for longer than is necessary to contain the dangerous behavior. For any situation that requires a prolonged use of an emergency intervention, staff shall seek the assistance of the principal or law enforcement agency, as applicable to the situation. (Education Code 56521.1)

If a student is put in seclusion, the student shall be under constant, direct observation of a staff member. Such observation may be through a window or another barrier through which the staff member is able to make direct eye contact with the student, but shall not be made through indirect means such as a security camera or closed-circuit television. (Education Code 49005.8)

If a student is restrained, staff shall afford the student the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the student and others. (Education Code 49005.8)

Seclusion or restraint may only be applied to a student with disabilities in accordance with rules specified in Administrative Regulation 6159.4 - Behavioral Interventions for Special Education Students. Staff may not apply seclusion or restraint to students with disabilities based on assumptions or stereotypes about disabilities or students with disabilities or for behavior that would not result in restraint or seclusion for students without disabilities.

The Superintendent or designee shall provide training to staff in the safe and effective use of seclusion and restraint, as appropriate.

Documentation of Seclusion and Restraint

Parents/guardians and, if appropriate, residential care providers shall be notified within one school day whenever an emergency intervention is used or serious property damage occurs. (Education Code 56521.1)

A behavior emergency report shall be completed and forwarded to the Superintendent or designee for review. This report shall include: (Education Code 56521.1)

1. The name and age of the student
2. The setting and location of the incident
3. The name of the staff or other persons involved
4. A description of the incident and the emergency intervention used
5. A statement of whether the student is currently engaged in a systematic behavior intervention plan
6. Details of any injuries sustained by the student or others, including staff, as a result of the incident

Reports

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an individualized education program, and all other students. This report shall be posted on the district's website and submitted to the California Department of Education no later than three months after the end of each school year, and shall be available as a public record pursuant to Government Code 7920.000-7930.215. The Governing Board desires to promote effective communication from the district and/or school to families to keep families informed regarding educational programs, school operations, and the legal rights of students and parents/guardians. The Superintendent or designee shall send parents/guardians all notifications required by law and any other notifications the Superintendent or designee believes will promote familial understanding and involvement.

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. Whenever a student enrolls in a district school during the school year, the student's parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format.

When necessary, the district shall provide notifications to qualified individuals with disabilities in alternative formats, such as braille, large font, or audio recordings, to enable such individuals to effectively participate in any program, service, or activity, as required by law.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

The district does not discriminate on the basis of sex in any of its programs or activities and complies with Title IX of the Education Amendments of 1972 and its implementing regulations.

The Governing Board is committed to maintaining a welcoming, safe, and supportive school environment that is free from discrimination and harassment. The Board prohibits at district or at district-sponsored or district-related activities, sexual harassment, as defined in the accompanying administrative regulation, targeted at any student.

Additionally, the Board prohibits retaliatory behavior or action against any person who reports, files a complaint, testifies about, assists with, or otherwise supports a complainant in alleging sexual harassment, or otherwise participates or refuses to participate in the complaint process established for the purpose of this policy. (Education Code 220.1, 221.8; 34 CFR 106.71)

The district strongly encourages students who feel that they are being or have experienced sexual harassment on district grounds or at a district-sponsored or district-related activity, or off-campus when the conduct has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee.

Any employee who receives a report or observes an incident of sexual harassment by or against a student in a district education program or activity shall report the incident to the Title IX Coordinator within one workday.

Once notified, the Title IX Coordinator shall ensure that the complaint alleging sexual harassment is addressed through Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures or Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures, as applicable. The Title IX Coordinator shall offer and coordinate supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of this policy in the manner specified in the accompanying administrative regulation.

The Superintendent or designee shall ensure that all district staff are trained regarding this policy, and that employees required to receive training related to their duties under Title IX receive training as specified in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment. (Government Code 12950.1; 2 CCR 11023, 11024; 34 CFR 106.45)

investigated, or resolved

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to the harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of district policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim

measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

Notifications

A copy of the district's sexual harassment policy and regulation shall:

1. Be included in the notifications that are sent to parents/guardians at the beginning of each school year (Education Code 48980; 5 CCR 4917)

   A copy of the district's sexual harassment policy and regulation shall be posted on district and school web sites and, when available, on district-supported social media.

3. Be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session (Education Code 231.5)

Regulation 5145.71: Title IX Sexual Harassment Complaint Procedures **Status:** DRAFT

Original Adopted Date: Pending

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

For a complaint governed by Title IX based on conduct that occurred, in whole or in part, between August 1, 2024 and January 9, 2025, or prior to August 14, 2020, the Title IX Coordinator shall consult with district legal counsel to determine which procedures to use.

All other complaints alleging sexual harassment brought by or on behalf of students shall be investigated and resolved in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures. The determination over which process shall be used to investigate and resolve a complaint shall be made by the district's Title IX Coordinator.

The Title IX Coordinator shall ensure that all requirements and timelines for Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures are concurrently met while implementing the Title IX procedure.

Basic Requirements

When implementing Title IX grievance procedures, the district shall: (34 CFR 106.45)

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent and by following a grievance process in accordance with 34 CFR 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures, as defined in 34 CFR 106.30, against a respondent

   Remedies following a determination of responsibility for sexual harassment shall be designed to restore or preserve equal access to the district's education program or activity, and shall be provided in accordance with "Remedies," below.

2. Require an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence, and provide that credibility determination may not be based on a person's status as complainant, respondent, or witness

3. Ensure that the Title IX Coordinator, investigator, decisionmaker, or any person that facilitates an informal resolution process, does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such individuals receive training in accordance with 34 CFR 106.45

4. Presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process

5. Include reasonably prompt timeframes for the conclusion of the grievance process, including reasonably prompt timeframes for filing and resolving appeals, and informal resolution processes if appropriate and offered by the district

   The district's procedures shall also include a process that allows for the temporary delay of the grievance procedures or the limited extension of timeframes for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement

activity; or the need for language assistance or accommodation of disabilities.

6. Describe the range of, or list, the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility

7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, and apply the same standard of evidence to formal complaints against students and employees and to all formal complaints of sexual harassment

8. Include the procedures and permissible bases for the complainant and respondent to appeal

9. Describe the range of supportive measures available to complainants and respondents

10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege

Additionally, the district shall not disclose the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act statute or regulations, as required by law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX. (34 CFR 106.30, 106.71)

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in Administrative Regulation 5145.7 - Sexual Harassment, or to any other available school employee, who shall forward the report to the Title IX Coordinator within one workday of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint shall include the complainant's physical or digital signature, or another indication that the complainant is the person filing the complaint, and be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

If the district has actual knowledge of sexual harassment or allegations of sexual harassment but the alleged victim does not file a formal complaint, the Title IX Coordinator may file a formal complaint and, in situations when an imminent safety threat exists, shall file a formal complaint. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or even if no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

If a student is the respondent, the district may remove the student from the district's education program or activity on an emergency basis, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. Any such removal may not constitute discipline for student record purposes or Board Policy 5144 - Discipline. Additionally, this authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30. Additionally, the Title IX Coordinator shall dismiss a formal complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States. In addition, the Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures, as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. (34 CFR 106.45)
The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint, including that the district shall not require such waiver as a condition of enrollment or employment or continuing enrollment or employment. (34 CFR 106.45)

As part of an informal resolution, the parties may agree upon discipline such as suspension or expulsion without the need for an investigation.

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations; the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; the right to withdraw from the informal process and resume the formal complaint process at any time prior to agreeing to a resolution; and any consequences resulting from the informal resolution process, including that records will be maintained or could be shared

2. Obtains the parties' voluntary, written consent to the informal resolution process

3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including

the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known

Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview. If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process

4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence

5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice may also include the name of the investigator, facilitator of an informal process, and decisionmaker and inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Consolidation of Complaints

When the allegations of sexual harassment arise out of the same facts or circumstances, the district may consolidate formal complaints alleging sexual harassment against more than one respondent; by more than one complainant against one or more respondents; or by one party against another party. (34 CFR 106.45)

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence

3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney

4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate

6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint including evidence that the district does not intend to rely on in reaching a determination regarding responsibility and inculpatory and exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to conclusion of the investigation

7. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report

8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an

DRAFT

electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decisionmaker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decisionmaker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decisionmaker shall issue, and simultaneously provide to both parties, a written decision as to the scope of the respondent's responsibility for the alleged conduct, if any. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The district may extend the timeline for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decisionmaker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30

2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process

3. Findings of fact supporting the determination

4. Conclusions regarding the application of the district's code of conduct or policies to the facts

5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the written decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decisionmaker(s) affected the outcome.

If an appeal is filed, the district shall: (34 CFR 106.45)

DRAFT

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties

2. Ensure that the decisionmaker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decisionmaker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

4. Issue a written decision describing the result of the appeal and the rationale for the result

5. Provide the written decision simultaneously to both parties

An appeal shall be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant as appropriate. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district may impose disciplinary sanctions or other actions after the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44, 106.45)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion in accordance with Board Policy and Administrative Regulation 5144.1 - Suspension/Expulsion and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities). (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law

2. Conference with parent/guardian

3. Educating the student regarding the impact of the student's conduct on others

4. Positive behavior support

5. Referral of the student to a student success team

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

DRAFT

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom

2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances

3. All materials used to train the Title IX Coordinator, investigator(s), decisionmaker(s), and any person who facilitates an informal resolution process

   The district shall make such training materials publicly available on its website, or if the district does not maintain a website, available upon request by members of the public.

For complaints containing allegations of childhood sexual assault, the Superintendent or designee shall also indefinitely maintain the following: (Code of Civil Procedure 340.1)

1. A record of the allegation(s)

2. A record of the investigation procedures followed

3. A record of the written determination

4. A record of the corrective action implemented, if any

5. A record of any appeals and the outcome of the same

6. All training materials addressing the prohibition and investigation of childhood sexual assault

Policy 5146: Married/Pregnant/Parenting Students

Status: DRAFT

Original Adopted Date: 10/17/2001

The Governing Board recognizes that responsibilities pertaining to marriage, pregnancy, or parenting, including related obligations, conditions, or recovery, may disrupt a student's education and increase the chance of a student dropping out of school. The Board desires to minimize interruption to such students' educational progress by supporting married, pregnant, and parenting students in their continued education, assisting them to attain strong academic and parenting skills, and promoting the healthy development of their child(ren).

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's actual or potential pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats a student differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

In accordance with Board Policy/Exhibit(1) 5145.6 - Parent/Guardian Notifications, the Superintendent or designee shall annually notify parents/guardians at the beginning of the school year of the rights and options available to pregnant and parenting students under the law. In addition, pregnant and parenting students shall be notified of the rights and options available under the law through annual school year welcome packets and through independent study packets. (Education Code 222.5, 48980)

For district-related purposes, a student under 18 years of age who enters into a valid marriage is an emancipated minor who shall have all the rights and privileges of students who are 18 years of age or older, even if the marriage has been dissolved. (Family Code 7002)

Such rights include, but are not limited to, those related to the verification of student absences as specified in Administrative Regulation 5113 - Absences and Excuses, application for a work permit as specified in Administrative Regulation 5113.2 - Work Permits, and access to student records as specified in Administrative Regulation 5125 - Student Records.

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the student and/or the student's child.

Any alternative education program, activity, or course that is offered separately to students who are pregnant or parenting, including any class or extracurricular activity, shall be equal to that offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with any other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the education program or activity. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

To the extent feasible, the district shall provide educational and related support services, either directly or in collaboration with community agencies and organizations, to meet the needs of pregnant and parenting students and their children. Such services may include, but are not limited to:

1. Child care and development services for the children of parenting students on or near school site(s) during the school day and during district-sponsored activities

2. Parenting education and life skills instruction

3. Special school nutrition supplements for pregnant and lactating students pursuant to Education Code 49553, 42 USC 1786, and 7 CFR 246.1-246.28

4. Health care services, including prenatal care

5. Tobacco, alcohol, and/or drug prevention and intervention services

6. Academic and personal counseling

7. Supplemental instruction to assist students in achieving grade-level academic standards and progressing toward graduation

As appropriate, teachers, administrators, and/or other personnel who work with pregnant and parenting students shall receive related professional development.

Absences

Students who are pregnant or parenting may be excused for absences for medical appointments and other purposes specified in Board Policy/Administrative Regulation 5113 - Absences and Excuses.

A student shall be excused for absences to care for a sick child for whom the student is the custodial parent. A note from a physician shall not be required for such an absence. (Education Code 48205)

Parental Leave

A student who is pregnant or parenting shall be entitled to parental leave as permitted by law. The period of the leave shall be the greater of eight weeks, or the length of time deemed medically necessary by the student's healthcare provider. Such leave may be taken before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. (Education Code 46015; 34 CFR 106.40)

The student, if 18 years of age or older, or the student's educational rights holder shall notify the district of the student's intent to take parental leave, although failure to do so does not abridge any of the rights provided to the student under this policy. (Education Code 46015)

No student shall be required to take all or part of the parental leave. (Education Code 46015)

When a student takes parental leave, the attendance supervisor shall ensure that absences from the regular school program are excused until the student is able to return to the regular school program or an alternative education program. A student who is pregnant or parenting, or has related conditions, shall not be required to complete academic work or other school requirements during the period of the parental leave. (Education Code 46015)

Following the leave, a student who is pregnant or parenting, or has related conditions, may elect to return to the school and the course of study in which the student was enrolled before taking parental leave or to an alternative education option provided by the district. (Education Code 46015)

Upon return to school, a student who is pregnant or parenting shall have opportunities to make up work missed during the leave, including, but not limited to, makeup work plans and reenrollment in courses. (Education Code 46015)

When necessary to complete high school graduation requirements, the student may remain enrolled in school for a fifth year of instruction, unless the Superintendent or designee makes a finding that the student is reasonably able to complete district graduation requirements in time to graduate by the end of the fourth year of high school. (Education Code 46015)

Accommodations

When necessary, the district shall provide accommodations to enable a student who is pregnant or parenting to access the educational program.

Additionally, a student who is pregnant, experiences a false pregnancy, or terminates a pregnancy, or who must recover from any of these, shall have access to any services available to other students with temporary medical conditions. (34 CFR 106.40)

The district shall provide reasonable accommodations to any lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding. A student shall not incur an academic penalty for using any of these reasonable accommodations, and shall be provided the opportunity to make up any work missed due to

such use. Reasonable accommodations include, but are not limited to: (Education Code 222)

1. Access to a private and secure room, other than a restroom, to express breast milk or breastfeed an infant child
2. Permission to bring onto a school campus a breast pump and any other equipment used to express breast milk
3. Access to a power source for a breast pump or any other equipment used to express breast milk
4. Access to a place to store expressed breast milk safely
5. A reasonable amount of time to accommodate the student's need to express breast milk or breastfeed an infant child

Complaints

Any complaint alleging discrimination on the basis of a student's actual or potential pregnancy, marital, or parental status; district noncompliance with the requirements of Education Code 46015; or district noncompliance with the requirement to provide reasonable accommodations for lactating students shall be investigated and resolved in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures.

Program Evaluation

The Superintendent or designee shall periodically report to the Board regarding the effectiveness of district strategies to support married, pregnant, and parenting students, which may include data on student participation in district programs and services, academic achievement, attendance, graduation rate, and/or student feedback on district programs and services.

DRAFT

Policy 5146: Married/Pregnant/Parenting Students

Status: ADOPTED

Original Adopted Date: 10/17/2001 **| Last Reviewed Date:** 10/17/2001

The Governing Board recognizes that early marriage, pregnancy or parenting may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to provide instruction and services designed to assist in pregnancy prevention. The Board also desires to support pregnant and parenting students to attain strong academic and parenting skills and to promote the healthy development of their children.

Married, pregnant and parenting students shall have the same educational and extracurricular opportunities as all students. Participation in special programs or schools shall be voluntary.

For school-related purposes, married students under the age of 18 are emancipated minors and have all the rights and privileges of students who are 18, even if the marriage has been dissolved. (Family Code 7002)

Pregnancy Prevention Program

The Superintendent or designee shall ensure that age-appropriate, culturally sensitive and community-sensitive instruction and services are available to assist in the prevention of pregnancy among minors. The district's program shall be based on strategies that have proven effective in delaying the onset of sexual activity and reducing the incidence of pregnancy among school-age youth.

Instruction shall include information regarding the consequences of pregnancy upon both the mother and father, including the effect upon future educational and employment opportunities; the meaning of parental responsibility and its effect upon one's personal life; strategies for resisting peer group pressure; and abstinence as a method of pregnancy prevention. Such instruction may be incorporated into health, social science or other appropriate courses in accordance with the requirements for those courses.

Policy 6142.91: Reading/Language Arts Instruction

Status: DRAFT

Original Adopted Date: 05/07/2008

The Governing Board recognizes that reading and other language arts constitute the basic foundation for learning in other areas of study. The Board desires to offer a comprehensive, balanced reading/language arts program that ensures all students have the skills necessary to read fluently and for meaning, and develops students' appreciation for literature. The program shall integrate reading, and oral and written language arts activities in order to build effective communication skills, including listening, speaking, and composition.

For each grade level, the Board shall adopt instructional materials that meet or exceed the Common Core State Standards in the following strands:

1. Reading: Foundational skills, text complexity and analysis, and the growth of comprehension
2. Writing: Text types, responding to reading, production and distribution of writings, and research
3. Speaking and listening: Oral language development, comprehension, flexible communication, and collaboration
4. Language: Conventions, effective use, knowledge of language, and vocabulary

The Superintendent or designee shall ensure that the district's program offers sufficient access to standards-aligned textbooks and other instructional materials. The program shall provide instructional materials of varying levels of difficulty, including fiction and nonfiction works, so that students are continually reading at an appropriate level. In addition, technology should be available to support all areas of literacy.

Screening for Risk of Reading Difficulties

The Board shall adopt, at a public meeting, one or more screening instruments to assess students in grades kindergarten-2 for risk of reading difficulties. The screening instrument(s) adopted by the Board shall provide assessments for both English-speaking and non-English speaking students, in languages reflecting the primary languages of students in the district, to the extent assessments in those languages are available. (Education Code 53008)

The district shall annually assess each student in grades kindergarten-2 for risk of reading difficulties. In determining when during the school year to screen students, the district shall consider whether students have received sufficient instruction in foundational reading skills to support a valid assessment. The district may provide additional student screenings or diagnostic evaluations, as appropriate. (Education Code 53008)

If a student enrolls for the first time in grades kindergarten-2 after the screening instrument(s) has been administered, the district shall assess the student within 45 calendar days of enrollment, unless either: (Education Code 53008)

1. The student's parent/guardian opts out of the screening in writing
2. The student's parent/guardian provides documentation or the district has documentation that the student has had a similar screening in their prior school for their current grade and the parent/guardian was made aware of the results

Students who do not speak sufficient English to be screened with an English-language instrument shall be screened in their primary language if a screening instrument in their primary language is available. If a screening instrument is not available in at least one language in which a student is proficient, the student shall be screened in accordance with Education Code 53008.

When a student acquires sufficient English language knowledge and fluency to be able to be assessed using the district's screening instrument, or if a screening instrument in their primary language becomes available, the district shall assess that student using the appropriate screening instrument. (Education Code 53008)

A student may be exempted from the screening for risk of reading difficulties if the parent/guardian provides prior written consent and the student meets any of the following criteria: (Education Code 53008)

1. Has a current identification or diagnosis of a reading difficulty, reading disorder, or other disability

2. Is eligible for special education and related services pursuant to the Individuals with Disabilities Education Act (IDEA) or a plan pursuant to Section 504 of the Rehabilitation Act of 1973

3. Is in the process of being assessed for eligibility for special education and related services pursuant to IDEA or a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, and the student is being evaluated with diagnostic assessments that make screening for risk of reading difficulties redundant

The district shall, no later than 15 calendar days before administration of the screening instrument(s), provide parents/guardians of students eligible for screening for risk of reading difficulties with information about the screening, including the date(s) of the screening and instructions for how parents/guardians can opt out of their child's screening. (Education Code 53008)

Staffing and Professional Development

Teachers are expected to use a variety of instructional strategies to accommodate the needs of beginning readers and the varying abilities of more advanced readers. The Superintendent or designee shall make available professional development opportunities that are designed to provide instructional staff with knowledge about how students develop language skills, the ability to analyze students' literacy levels, and mastery of a variety of instructional strategies and materials.

Employees administering screening instruments for risk of reading difficulties shall be appropriately trained to administer the instrument. (Education Code 53008)

Policy 6142.91: Reading/Language Arts Instruction

Status: ADOPTED

Original Adopted Date: 05/07/2008 **| Last Reviewed Date:** 05/07/2008

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009) and ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Buckeye Union School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2012-13 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent or designee.

The Governing Board recognizes that reading and other language arts constitute the basic foundation for learning in other areas of study. Students should develop an appreciation for literature and for reading as a means to acquire knowledge. They also should develop oral and written language skills that enable them to effectively communicate with others.

The Board desires to offer a comprehensive, balanced reading/language arts program that ensures all students have the skills necessary to read fluently and for meaning. The program shall integrate reading, writing, speaking, and listening activities in order to build effective communication skills.

For each grade level, the Board shall adopt academic standards in reading, speaking, and writing, including spelling and grammar that meet or exceed state standards. The district's program also shall be aligned with the state framework for reading/language arts instruction.

Teachers are encouraged to use a variety of instructional strategies to accommodate the needs of beginning readers and the varying abilities of more advanced readers.

The Superintendent or designee shall provide professional development opportunities that are designed to provide instructional staff with knowledge about how students develop language skills, the ability to analyze students' developing literacy, and the ability to draw from a variety of instructional strategies and materials.

The Superintendent or designee shall ensure that the district's reading/language arts program offers sufficient access to textbooks and other instructional materials of varying levels of difficulty, including fiction and nonfiction works, so that students are continually reading at an appropriate level. In addition, technology should be available to support all areas of literacy.

The Superintendent or designee shall regularly provide the Board with data from state and district reading assessments and program evaluations to enable the Board to monitor program effectiveness.

Grades K-3

The goal of the district's early literacy program shall be to ensure that students are able to read fluently and at grade level by the end of third grade. To reach this goal, the Superintendent or designee shall design a balanced and comprehensive reading/language arts program with the following components:

1. Explicit skill development for beginning readers that includes phonemic awareness, phonics and decoding skills, and sufficient practice and repetition of these skills

2. A strong literature, language, and comprehension program that includes a balance of oral and written language

3. Ongoing diagnosis of students' skills

4. An early intervention program that provides assistance to students at risk of reading failure

Grades 4-8

The Board recognizes that reading/language arts instruction is an integral component of the curriculum at all grade levels. Continuous progress in fluency and comprehension shall be the goal of reading/language arts instruction in grades 4-8.

The program in these grades shall promote reading for subject matter comprehension, developing understanding of progressively more advanced reading material, analyzing and discussing a variety of reading materials, increasing the

frequency of reading, developing more complex writing skills with attention to composition and vocabulary, and developing other communications skills.

When students in these grades do not have fully developed reading/language arts skills, the Superintendent or designee shall make resources available to assist them in reaching a reading level sufficient to meet the demands of grade-level material. Staff at all grade levels and in every subject shall take responsibility for supporting and expanding students' literacy skills.

Regulation 6159.4: Behavioral Interventions For Special Education Students

Status: DRAFT

Original Adopted Date: 01/14/2015

Generally, any student identified as a student with a disability pursuant to the Individuals with Disabilities Education Act, 20 USC 1400-1482, is subject to the same disciplinary measures applicable to all students for violations of the code of conduct, except when the student's behavior is determined to be a manifestation of the student's disability.

However, when the behavior of a student with a disability impedes the student's learning or the learning of others, the student's individualized education program (IEP) team shall consider the use of positive behavioral interventions and supports and other strategies consistent with 20 USC 1414(d) to address the student's behavior. (Education Code 56521.2; 34 CFR 300.324)

If, pursuant to a manifestation determination conducted as specified in 34 CFR 300.530, the student's behavior is determined to be a manifestation of the student's disability, the IEP team shall conduct a functional behavioral assessment (FBA) and implement a behavioral intervention plan (BIP) for the student. If a BIP is already in place for the student, the IEP team shall review and modify the BIP to address the student's behavior. (Education Code 56520; 34 CFR 300.324, 300.530)

In addition, when the disciplinary removal of a student with a disability will result in a change in the student's placement as specified in 34 CFR 300.530, the student shall receive an FBA and behavioral intervention services and modifications designed to address the student's behavior so that it does not recur. (34 CFR 300.530)

Functional Behavioral Assessment

Any FBA to be conducted for a student with a disability shall focus on identifying the function or purpose of the student's behavior.

Before any FBA is conducted, the Superintendent or designee shall notify the student's parent/guardian in accordance with Education Code 56321 and obtain the parent/guardian's consent. (Education Code 56321; 34 CFR 300.324)

If the parent/guardian disagrees with the result of an FBA, the parent/guardian has the right to obtain an independent educational evaluation at district expense, subject to the conditions specified in 34 CFR 300.502.

Behavioral Intervention Plan and Services

When any behavioral intervention, support, or other strategy is to be used by the district, the Superintendent or designee shall consider the student's physical freedom and social interaction, administer the intervention, support, or other strategy in a manner that respects the student's dignity and personal privacy, and ensure the student's right to be placed in the least restrictive educational environment. (Education Code 56520)

When a student for whom a BIP is to be developed is also the responsibility of another agency for residential care or related services, the Superintendent or designee shall cooperate with the other agency to ensure that the BIP, to the extent possible, is developed and implemented in a consistent manner. (Education Code 56520)

Behavior assessments and behavioral intervention services shall be provided only by individuals who possess the qualifications specified in Education Code 56525 or 5 CCR 3051.23.

Emergency Interventions

Emergency interventions may be used only to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the student or others and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be used as a substitute for a systematic BIP that is designed to change, replace, modify, or eliminate a targeted behavior. (Education Code 56521.1)

No emergency intervention shall be used for longer than is necessary to contain the behavior. For any situation that requires a prolonged use of an emergency intervention, staff shall seek assistance of the principal or law enforcement agency, as applicable to the situation. (Education Code 56521.1)

Emergency interventions shall not involve the use of force exceeding what is reasonable and necessary under the circumstances. In addition, use of locked seclusion, prone restraint, or a device, material, or objects that simultaneously immobilize all hands and feet shall not be allowed except as allowed authorized by law. (Education Code 56521.1)

Parents/guardians and, if appropriate, residential care providers shall be notified within one school day whenever emergency intervention is used or serious property damage occurs. A behavior emergency report shall immediately be completed, kept in the student's file, and forwarded to the Superintendent or designee for review. This report shall include all of the following information: (Education Code 56521.1)

1. The name and age of the student
2. The setting and location of the incident
3. The name of the staff or other persons involved
4. A description of the incident and the emergency intervention used
5. A statement of whether the student is currently engaged in a systematic BIP
6. Details of any injuries sustained by the student or others, including staff, as a result of the incident

If the behavior emergency report is for a student who does not have a BIP, the Superintendent or designee shall, within two days, schedule an IEP team meeting to review the emergency report, determine the necessity for an FBA, and determine the necessity for an interim BIP. The IEP team shall document the reasons for not conducting the FBA and/or not developing the interim BIP. (Education Code 56521.1)

If the behavior emergency report is for a student who has a BIP, any incident involving a previously unseen serious behavior problem or where a previously designed intervention is not effective shall be referred to the IEP team. The IEP team shall review the incident and determine whether the student's plan needs to be modified. (Education Code 56521.1)

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an IEP, and all other students. This report shall be posted on the district's website and submitted to the California Department of Education no later than three months after the end of each school year and shall be available as a public record pursuant to Government Code 7920.000-7930.215. (Education Code 49006)

Prohibited Interventions

The district prohibits the use of corporal punishment as defined in Education Code 49001 as an intervention. In addition, the district prohibits all of the following: (Education Code 56521.2)

1. Any intervention designed or likely to cause physical pain, including, but not limited to, electric shock
2. Any intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances near the student's face
3. Any intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities
4. Any intervention that is designed to subject, used to subject, or likely to subject the student to verbal abuse, ridicule, or humiliation or that can be expected to cause excessive emotional trauma
5. Any restrictive intervention that uses a device, material, or objects which simultaneously immobilize all hands and feet, including the procedure known as prone containment
6. Prone restraint
7. Locked seclusion, unless in a facility otherwise licensed or permitted by state law to use a locked room

8. Any intervention that precludes adequate supervision of the student
9. Any intervention that deprives the student of one or more of the student's senses

Policy 6141.2: Recognition Of Religious Beliefs And Customs

Status: DRAFT

Original Adopted Date: 05/19/2004

The Governing Board recognizes that students' education would be incomplete without an understanding of the role of religion in society. As appropriate for a particular course, teachers may objectively discuss the influences of various religions, using religious works and symbols to illustrate their relationship with culture, literature, or the arts. The Board expects that such instruction will identify principles common to all religions and foster respect for the diversity of religions and customs in the world and be consistent with the adopted instructional materials and state standards, as applicable.

In order to respect each student's individual right to freedom of religious practice, religious indoctrination is forbidden in public schools. The Superintendent or designee shall ensure that instruction about religion does not promote or denigrate the beliefs or customs of any particular religion or sect, nor that a preference be shown for one religious viewpoint over another. Teachers and other district staff shall be highly sensitive to their obligation not to interfere with the religious development of any student in whatever tradition the student embraces, and treat all religions and religious convictions, including nonbelief, with fairness and respect.

Staff shall not endorse, encourage, or solicit religious or anti-religious expression or activities among students during class time.

Staff shall not coerce students in prayer or other religious activities as part of their official duties. However, staff are not prohibited, when acting in their private capacity, from encouraging students' participation in personal prayer or other religious activity. Additionally, staff shall not prohibit or discourage any student from praying or otherwise expressing the student's religious belief so long as this does not disrupt the classroom or other district-sponsored activity.

Students may express their beliefs about religion in their homework, artwork, and other class work if the expression is germane to the assignment. Such work shall be judged by ordinary academic standards, relevance, and other legitimate pedagogical objectives.

While teaching about religious holidays is a permissible part of the educational program, celebrating religious holidays is not allowed in the district. District-sponsored programs shall not be, nor have the effect of being, religiously oriented or a religious celebration. School and classroom decorations may express seasonal themes that are not religious in nature. The use of religious symbols that are part of a religious holiday is permitted as a teaching aid or resource provided that such symbols are displayed as an example of cultural and religious heritage of the holiday and temporary in nature.

Classroom methods in instruction about religion shall not include religious role-playing activities or simulated religious devotional acts.

Music, art, literature or drama programs having religious themes are permitted as part of the curriculum for district-sponsored activities and programs if presented in an objective manner and as a traditional part of cultural and religious heritage.

District schools shall not prohibit religious activities if the same or similar non-religious activities are permitted.

When required by law, the district shall notify parents/guardians that they may, via written request, opt their students out of instruction on the basis of their religious beliefs as specified in the accompanying administrative regulation. Students whose parents/guardians opt them out of such instruction may be offered an alternative activity of similar educational value. Additionally, a student shall not be subject to disciplinary action, academic penalty, or other sanction on the grounds that the student was opted out of such instruction.

The Governing Board desires to provide a well-planned, integrated sequence of medically accurate and inclusive instruction in comprehensive sexual health and human immunodeficiency virus (HIV) prevention.

The district shall respect the rights of parents/guardians to supervise their students' education on these subjects and to impart values to their children regarding human sexuality.
