## COACHES CATCH-UP

Introducing Connor Bryan as our new boys XC coach, who is studying education at UVA and student teaching in the math department at AHS. His exuberance for the program is infectious, and his level of commitment is unwavering.

In his spare time, it will not come as a shock to learn that Connor enjoys hiking, camping, and landscape photography. But what you may not know about this coach is that he can find every non-island country on a blank map.
