COURSE DESCRIPTION: AFJROTC I is the introductory course for all new cadets. The course consists of three components: Aerospace Science (40%), Leadership Education (40%), and Wellness/Physical Fitness (20%). The **Aerospace Science** portion is an aviation history course focusing on the development of flight throughout the centuries. The emphasis is on civilian and military contributions to aviation; the development, modernization, and transformation of the Air Force; and a brief astronomical and space exploration history. It is interspersed with concise overviews of the principles of flight to include basic aeronautics, aircraft motion and control, flight power, and rockets. **Leadership Education** introduces the student to the Air Force Junior Reserve Officer Training Corps (AFJROTC) program, while instilling elements of good citizenship, develops informed citizens; strengthens and develops character; develops study habits and time management; wear of the Air Force uniform; and Air Force customs, courtesies and drill skills are introduced. Additionally, cadets will be taught the fundamentals of Drill and Ceremonies. This portion of the course concentrates on the elements of military drill, and describes individual and group precision movements, procedures for saluting, drill, ceremonies, reviews, parades, and development of the command voice. Students are provided detailed instruction on ceremonial performances and protocol for civilian and military events and have the opportunity to personally learn drill. Most of the work is to be hands-on. The **Wellness/Physical Fitness** portion will incorporate the Cadet Health and Wellness Program (CHWP). The CHWP is an exercise program focused upon individual base line improvements with the goal of achieving a Presidential Physical Fitness standard calculated with age and gender. The goal of the CHWP is to motivate JROTC cadets to lead active, healthy lifestyles beyond program requirements and into their adult lives. Cadets will be given the opportunity to put into practice the wellness concepts that are taught in Leadership Education I. Students **MUST** wear the Air Force JROTC uniform as required normally two Wednesday's a month and the **issued** PT uniform on Fridays.

Some aspects of the leadership grade will include uniform wear, participation in corps events, and performance of details assigned. More detailed grading information is contained in the Cadet Guide.

HABITUAL NON-WEAR OF THE UNIFORM AND FAILURE TO MAINTAIN STANDARDS WILL RESULT IN A FAILING GRADE AND DISMISSAL FROM THE PROGRAM.

COURSE EVALUATION:

Quizzes, Class Assignments, Workbooks, Physical Training & Drill	Percent of Grade
Uniform Wear/Air Force Dress & Appearance/Summative	40%
	60%
	TOTAL: 100%

GRADING SCALE:

Grade	Percentage Required
A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	59-below

UNIFORM WEAR (Major Grade): Uniform wear is a large part of the Air Force JROTC program. ALL cadets are required to wear the appropriate uniform each **Wednesday, from the start of the school day until released**. Make-up day for excused absences on uniform day is the following Thursday and Friday (reduced grade for non-excused absences). There may be **uniform make-up for unexcused absences but it is not guaranteed**. Failing to wear the uniform all day (unless pre-approved by the instructors) will result in a "0" (zero) grade for that uniform day. Multiple failures to wear your uniform can lead to disenrollment from the course. Cadets are required to wear their issued **Physical Fitness** uniforms on **Fridays** unless otherwise directed. Failure to turn in uniforms by the end of the course/year will result in an overall "I" incomplete grade for the course and the vice principal notified. Additionally, the student will be placed on the "Fines/Holds" list until the uniforms are paid for/returned.

CLASS ATTENDANCE, PREPARATION AND PARTICIPATION (Daily Grade): Today's workforce does not earn a paycheck unless they show up ready for work. Cadets earn grades commensurate with their class participation and effort. Cadets who are not present or prepared cannot participate fully in class. This is especially key to drill and physical fitness. Class preparation includes cadet adherence to proper grooming standards daily as outlined in Air Force Instruction and school dress code.

COMMUNITY SERVICE: Cadets will have multiple opportunities to perform Air Force JROTC sponsored community service during each semester.

CURRICULUM IN ACTION TRIPS (CIA)/FIELD TRIPS: Throughout the semester, the cadets will have opportunities to participate in school-sponsored activities that serve as an extension of the AFJROTC curriculum. These trips may include Base Tours, WWII Museum Visits, etc. Cadets must be in good academic and disciplinary standing to participate.

CLASS BEHAVIOR: The nature of the AFJROTC mission, as well as its high visibility within the school and community, requires its members to adhere to higher standards than might be found among the student population. **Inappropriate behavior**, in or out of uniform, is prohibited while participating in AFJROTC. This behavior includes, but is not limited to, vapes, consuming alcohol, drug abuse, tobacco use, horseplay, public displays of affection, fighting, disparaging remarks, insubordination, disrespect, verbal threats and physical attacks.

CELL PHONES: Cell phone policy is in accordance with St. Charles Parish district instructions. Cell phones must remain turned off and placed in the designated area during the class period. Students, who use the telecommunications device during the school day, will have the device confiscated and turned into the school's administration. Parents may pick up the confiscated device from the assistant principal's office. Any student who refuses to turn over their cell phone will be considered insubordinate and will receive additional disciplinary consequences.
