What is a School-Home Compact?

A School-Home Compact is an agreement that families, students and teachers develop together. It explains how families and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade-level standards.

Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on student learning
- Describe how teachers will help students develop skills using high quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate about student progress

This School-Home Compact was jointly created with input from:

- MES School Leadership and Teachers
- MES Students
- MES Families and Parents
- Community Partners

Families are welcome to contribute comments and suggestions at any time. If you would like to volunteer, participate and/or observe in the classroom; please contact Tracey Carson at Tracey.carson@sumnerschools.org or 615-859-1439
