

Wachusett Regional School District

Holden - Paxton - Princeton - Rutland - Sterling

September 12, 2025

Dear Wachusett Community:

We are writing to inform you that a second employee has been placed on administrative leave due to alleged inappropriate social media activity. Be assured the District will investigate the allegations and will respond appropriately.

As educators, the safety and well-being of all students are primary. While we continue to focus on our students, we want to once again thank our staff, families, and local law enforcement for their continued cooperation and partnership.

James Reilly, Superintendent

Lauren Salmon-Garrett, WRSDC Chair
