Civil Rights Complaint Procedures
Food and Nutrition Services

The Marin County Office of Education is a sponsor of the U.S. Department of Agriculture (USDA) Food and Nutrition Services (FNS) Child Nutrition Programs on behalf of the Marin Community School. The Marin Community School provides benefits to all eligible individuals without discrimination in accordance with Federal civil rights laws and USDA policy, as governed by https://www.fns.usda.gov/cr/fns-instruction-113-1. The USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), age, disability, and reprisal or retaliation for prior civil rights activity.

Below are the procedures for receiving and processing complaints alleging civil rights discrimination within FNS school meal programs.

Accepting a Complaint

- Civil rights complaints should be directed to:
  - Jon Lenz, Deputy Superintendent, jlenz@marinschools.org, (415) 499-5817
- In the event a complainant makes the allegations verbally or in person and refuses (or is not inclined) to place such allegations in writing, the person to whom the allegations are made must write up the elements of the complaint for the complainant.
- An anonymous complaint must be handled the same as any other complaint.
- If complaint forms are used, notify complainants where they can be obtained. A complaint form is not a prerequisite for accepting a complaint.
- There will be no attempt by the Laguna Joint School District to resolve the complaint, nor will the complaint process be a prerequisite for accepting a complaint.
- Any person or representative alleging discrimination based on a prohibited basis has the right to file a complaint within **180 days** of the alleged discriminatory action. Only the Secretary of Agriculture may extend this time under special circumstances.

Transcribing a Complaint

The Civil Rights Complaint Coordinator should maintain a complaint log that must include, at a minimum, the following information:

- The name, address, and phone number or other means of contacting the complainant, such as an e-mail address (if not anonymous)
- The specific location and name of the entity delivering benefits
- The nature of the complaint or action that led to the charges being filed
- Whether the allegation was made verbally or in person

The California Department of Education (CDE) Nutrition Services Division recommends that the Civil Rights Complaint Coordinator collect, in addition to the information above, the following information:

- The nature of the incident or action that led the complainant to feel discrimination was a factor, and an example of the method of administration that is having a disparate effect on the public, potential eligible

persons, applicants, or participants.

- The basis on which the complainant believes discrimination exists. The basis for nondiscrimination is race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.
- The names, telephone numbers, titles, and business or personal addresses of persons who may have knowledge of the alleged discriminatory action.
- The date(s) during which the alleged discriminatory actions occurred or, if continuing, the duration of such actions.
