# **Parent and Family Engagement Plan**

## **Parent and Family Engagement Mission Statement**

To create a partnership between school, families, and the community by providing parent training in reading, math and science that creates collaboration between all stakeholders and equips families with strategies to use at home.

## **Annual Title 1 Meeting/**

The annual Title Meeting was held on 8/20/25 in the media center at Banyan Creek Elementary School.

## **Parent and Family Engagement Trainings**

We will provide the following activities to assist families in understanding the state curriculum and assessment to help families support their children's academic achievement:

- Academic Nights for families to learn specific strategies to help their children at home.
  - Literacy Night
  - Math Night
  - Science Night

## **Shared Decision Making**

Families will be invited to many meetings throughout the year to receive academic information, reports, and provide input on ways the school, families and students can share responsibility for student success. We hope you will join us for SAC meetings, parent conferences, Title I meetings, and parent training.

## **Communications**

Our school will provide information to parents/families through a variety of means: newsletters, call outs, school marquee, parent fliers (translated) and e-mails. We will provide flexible meeting dates and times to accommodate work schedules. We will also communicate in an on-going and timely manner using a variety of methods including our school website, emails, phone calls from teachers and school administration; by flyers sent home with your student; through notes in your student's agenda, school newsletter, and academic reports. If you find that communication does not seem to be getting home, please let us know.

## **Accessibility for all Families**

We encourage all families to attend meetings and events. School staff will provide support where needed for all families to be able to participate and be engaged in their child's education. We provide translated documents and interpreters (academic reports, flyers), childcare, accessible meeting space, and multiple meeting days and times. Please notify the school if other assistance is needed. We want all families to be a part of their child's education!
