

**Memorandum of Agreement
Between
Snoqualmie Valley Education Association
and
The Snoqualmie Valley School District
RE: Co-Curricular Salary Schedule 2025-26**

The Snoqualmie Valley School District (District) and the Snoqualmie Valley Education Association (Association) enter into the following agreement.

Based on the work of the Co/Extra Curricular Joint Committee, the District and Association agree to the attached salary schedule for Co-Curricular Activities in 2025-26.

Co-Curricular Activities are those activities that are attached to specific course(s) and therefore require a teaching certificate.

In addition to the Salary Schedule, the following agreements are made:

- **5th Grade Camp Stipend:** With an updated 2025-26 Co-Curricular and the stipend for teachers at 5th Grade Camp being \$700, the employees who would otherwise lose money will have their stipend frozen at the 2024-25 rate until such time as the 5th Grade Camp stipend exceeds their stipend, or when they stop teaching 5th grade, whichever comes first. The list of impacted employees and their stipend will be shared with the Association annually.
- **High School Pep Band During Playoffs:** If the high school band performs at basketball or football games that occur as part of an extended athletic season, the director will be paid an additional \$150 stipend per event outside of the school day, if required to attend by building administration.
- **Co-curricular schedule experience:** Experience as a co-curricular advisor in another school district will be considered for salary placement on the co-curricular schedule through a verification of employment form provided by the District. Only experience for the same co-curricular program will be considered, i.e.: band for band, DECA for DECA.

This Memorandum of Agreement remains in place until the last day of the 2025-2026 school year or until superseded by another MoA, whichever comes first.

FOR THE ASSOCIATION

FOR THE SCHOOL DISTRICT
