

Welcome Eagles!
I'm so excited to be your new counselor at IHS! I've spent many years supporting students in Auburn and Seattle. I am thrilled to join this amazing school community.

Before becoming a counselor, I worked in finance and business with AT&T, Bank of America, and Mitsui, after earning finance degree from Rutgers University. I was born in Seoul, South Korea, moved to NYC at age 13, and speak fluent Korean.

At home, I'm surrounded by my wonderful family: my spouse, three kids (ages 17, 22, and 24), and our Yorkie, Beau. I enjoy nonfiction books, gardening, and singing—especially with my sister, a music teacher.

The best part of my day is connecting with students. I look forward to hearing your stories and passions and helping you thrive this year!
