Legendary Teacher Day

Dear MUSD Families,

In Maricopa Unified, our greatest strength is the people who make learning personal. Did you know MUSD teachers average more years of experience than the Arizona average? This longevity isn't just a statistic. Their experience shows up as patience, high expectations, and the right nudge at the right moment.

On Thursday, September 25, we will celebrate **Legendary Teacher Day**. If your child's teacher has made a real difference, share their name and a few lines about how.

Help us honor them. Nominate here: [MUSD Legendary Teacher](#)

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman
Superintendent, Maricopa Unified School District
