I give permission to the RVUSD ELOP Program to take whatever emergency measures are judged necessary for the care and protection of my child while under their supervision. In the event of illness or injury, I do hereby consent to whatever x-ray examination, anesthetic, medical, surgical or dental diagnosis or treatment and hospital care are considered necessary in the best judgment of the attending physician, surgeon, or dentist and performed by or under the supervision of a member of the medical staff of the hospital or facility furnishing medical or dental services.

As stated in the California Educational Code Section 35330, I understand and do assume all of the above mentioned risks, will hold *Round Valley Unified School District,* it's officers, agents, and employees harmless from any and all liability or claims whatsoever, which may arise out of or in connection with a trip or participation in any activities arranged for the participant by the *Round Valley Unified School District.* The terms thereof shall serve as a release and assumption of risk for my heirs, executors, and administrators and for all members of my family.

Permission Information

By signing this form, I give permission to RVUSD ELOP to participate in field trips around Covelo, including the swimming pool. Parents will be notified of out of town field trips and separate permission slips will be required. **I fully understand that participants are to abide by all rules and regulations governing conduct during any trips. Any violation of these rules and regulations may result in the student being sent home at his/her – and/or parent expense.**

I further give permission for my child to be included in photographs or videos taken by the RVUSD ELOP staff during program activities. I understand that I must provide a written notice to the ELOP Coordinator if I decline permission for my student to be included in photos or videos.

Behavior & Program Agreements

I understand that my child is expected to follow the same rules and district policies governing behavior in ELOP that are in effect during a regular school day. Any disruptive behavior that affects the program may be grounds for exclusion. Enrollment in ELOP is based upon capacity limits. If the number of registration requests exceeds the capacity, a waitlist will be established. Students are expected to participate in the activities offered if they are attending the ELOP program. Students with irregular attendance may be dropped from the program if there is a waitlist; parents are expected to notify the ELOP Coordinator if their child will not be attending the program activities. Parents are expected to be on time with student pick-up and/or be available for student drop off. Excessive late pickup or being unavailable for drop-off may be grounds for dismissal from the ELOP program.
