Students explored the historic pole barn

Notes from the Classroom

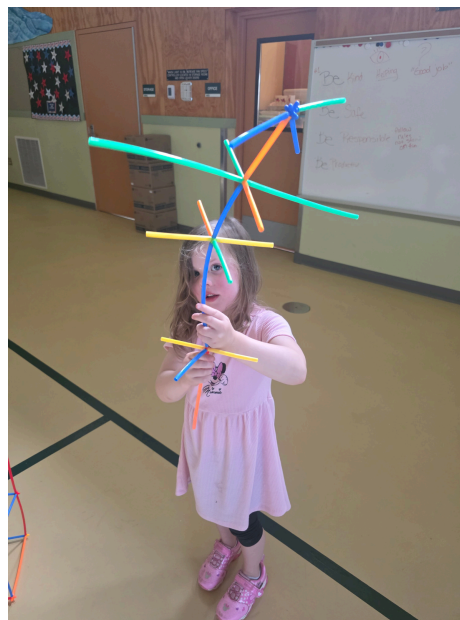

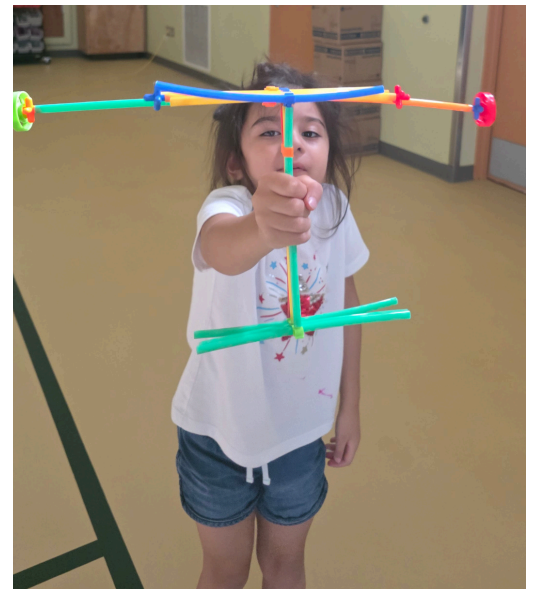

Mrs. Cunningham

We're off to a great start! This week, everyone worked very hard to finish their Reading and Math I-Ready diagnostic assessments. We use this data to inform, plan, and modify lessons as needed. Additionally, the I-Ready online learning platform creates a personalized learning path for each student based on their diagnostic results.

We finished the week with pictures and a fantastic walk to Johnson Farm. Thank you to everyone who was able to volunteer. We appreciate it!

As we transition from summer to fall, please dress your student accordingly for the weather, as we will be outside as much as possible.

Enjoy the weekend!
