* If any other siblings are listed, exclude them then proceed

* You will see this when it's been successfully submitted....

***Please select all sports for the year that your student may want to participate in. Signing them up does not require them to join the team officially, but it helps us verify they will be cleared for participation when the season starts.**

OSAA Fall Season begins Monday Aug 18th (football, soccer, volleyball, cross country, cheer, dance).
OSAA Winter Season begins Monday Nov 17th (basketball, wrestling, swim, cheer, dance).
OSAA Spring Season begins Monday Mar 2nd (baseball, softball, track, golf).

***To be eligible for sports in D6, all students must complete the online registration yearly and have a current OSAA sports physical on file with the athletic office. These are good for two years! A hardcopy can be brought into the office or uploaded on ParentVue.**
