

Open House

September 17, 2025
5:30 - 7:00 pm

5800 Eastex Freeway
Houston, 77026

Barbara Jordan Career Center

We are excited to welcome parents and guardians to our upcoming Open House at the Career Center! This special event is a wonderful opportunity to meet our dedicated teachers, explore the wide range of career and technical education programs we offer, and gain a deeper understanding of what students are learning in each class. Whether your student is interested in health sciences, engineering, culinary arts, or another pathway, you'll get a firsthand look at the skills and

experiences that are shaping their future.

During the evening, you'll hear directly from instructors about course expectations, classroom activities, and how each program prepares students for college, careers, and beyond. We believe strong partnerships between families and educators are key to student success, and we look forward to connecting with you, answering your questions, and sharing the exciting work happening in our classrooms. We hope to see you there!
