

## Explore a Healthcare Career with the Hackensack Meridian *Health* Career Explorer Program!

Are you a high school senior interested in the exciting world of healthcare? Discover a variety of career paths through hands-on, real-world experiences!

### Program Highlights:

Shadow and interact with healthcare professionals across multiple disciplines

Learn through guided exposure in both clinical and non-clinical settings

Complete 32 hours of experiential learning

Submit a final project to showcase your insights and growth

### Benefits:

Gain valuable insight into the skills, responsibilities, and daily work of healthcare roles

Clarify your interests and strengths in the healthcare field

Build the experience needed to select and plan your future healthcare career

Seize the opportunity to chart your course toward success!

**To apply or for more information, please email your nearest local volunteer site. Registration Deadline is October 17.**
