

Hello Trailblazers,

It has been a great week at KHS! In addition to the reminders below, I encourage you to ask your student about the new Habits of Work rubric that each teacher is using in their classes. Students will be reflecting on their Habits of Work in each class to gain a deeper understanding of ways they can improve their work habits to ensure academic success. We also had our Club showcase this week and we strongly encourage students to get involved in many of the activities we offer here at KHS.

- Celebrating Agriculture! Will be happening on Saturday, September 20th, 2025, at the Brooklyn Fair Grounds from 9am – 3pm (Rain or Shine!). This event is a fun, FREE educational day showcasing the benefits agriculture provides to the region, as well as the challenges farms face today. This event gives an opportunity for families to support and participate in the various facets of our local agriculture and helps support our agriculturists in their endeavors. The day will be filled with a wide array of activities including horse demos, live animals, exhibits, forestry competitions, local farm products, entertainment, children's activities, and a scavenger hunt. Food trucks and a large farmers breakfast will also be there!
- Yearbooks are the lowest price of the year! As a bonus when you personalize your book, you get four free icons. This offer will end on Friday, September 26th. Jostens also offers a 3-time payment plan! Click the link to order your book today! **https://jostensyearbooks.com/?REF=A01028490**
- Parent pickup and drop-off should be done in the back of the school (gym side) before 7:30 and after 2:15 because we have buses that need to wait in the front circle.
- Please use the links on our school website to report student absences.
- Parents, please check PowerSchool for updates on your student's progress. Reach out to jlee@killinglyschools.org.
- Underclassmen Picture Day is Friday, September 19, 2025. You can find more information on pricing here.
- Students who drive themselves to school will not be allowed to go to their car during the school day.

Enjoy the last official week of Summer!

In partnership,

Carrie, Mike, and Stephan
KHS Administration
