

HOPE ACADEMY IMPACT OPPORTUNITIES

HOPE Academy, founded in 2011, is a private, non-profit, Christian University-Model school in Concord, North Carolina. We serve over 170 families and 280 K-12 students in the greater Concord and Charlotte areas.

We invite you to join HOPE Academy as an event sponsor, advancing our mission for the good of students. Your sponsorship supports two upcoming events: Topgolf and HOPE Family Night, and also makes a lasting impact on our students, families, and surrounding community. With a variety of sponsorship levels available, this meaningful opportunity allows your business to partner with a growing school that values faith, excellence, and generosity.
