Mission Statement

The mission of the dedicated staff and faculty of Rice Canyon Elementary (RCE) is to assist children in realizing their full potential as responsible, productive, and contributing members of society by providing an educational environment where students are challenged, excellence is expected, and differences are valued. The mission of RCE staff and faculty is also to provide rigorous academic standards while instilling the enjoyment of lifelong learning in a safe and nurturing environment..

Principal's Message

Dear Raptor Students and Families,

I am thrilled to welcome you all to the 2024-2025 school year at Rice Canyon Elementary! I hope you've had a wonderful summer filled with fun and relaxation. We are excited to have our hallways, playgrounds, and classrooms buzzing with energy, laughter, and learning once again. Our dedicated team of teachers and staff have been hard at work preparing for another successful year filled with engaging learning opportunities, new friendships, and memorable experiences!

In addition to being a high-achieving academic school, I am most proud of the Rice Canyon culture of kindness, respect, and high expectations for all that has been developed and nurtured over the years. Raptors are a family, and we take each student's academic and social-emotional growth to heart. Likewise, our staff is a close-knit group of talented educators committed to providing a safe, loving environment where every student feels valued and inspired to reach their full potential in and out of the classroom.

As we embark on this new journey together, I encourage students to be curious, ask questions, and explore new ideas. Remember, our school community is here to support you every step of the way. Parents are always welcome to visit the school administration, ask questions, and solve concerns!

I look forward to seeing familiar faces and meeting new friends as we kick off this exciting year. Let's make it a great one!

Warm regards,

Ms. Conkright
Principal
Rice Canyon Elementary

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2024-25)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 12, 2024.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2024-25)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 20, 2025. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	**Good**	Exhaust fan inoperable in multiple rooms.
Interior: Interior Surfaces	**Poor**	Ceiling tiles stained, broken, or loose in multiple rooms. Hole in wall. Cabinet handle is missing. Wallpaper is torn. Carpet is torn. Floor tiles are broken. Ceiling tile T bar loose.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	**Good**	Carpet is stained in one room.
Electrical: Electrical	**Fair**	Light bulbs are out in multiple rooms. Light panels are bad or out in multiple rooms. Light diffusers missing or loose in multiple rooms. Light cage is missing.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	**Poor**	Toilets leak at fitting in multiple RRs. Multiple toilet seats are loose Multiple toilets loose at base. Drinking fountain dripping. Handles broken on multiple drinking fountain. Multiple drinking fountains have high, low, or no flow. Multiple faucets leak.
Safety: Fire Safety, Hazardous Materials	**Good**	Multiple fire extinguishers hose straps are broken or missing. Multiple fire extinguishers are missing.
Structural: Structural Damage, Roofs	**Good**	Shade structure has dry rot. Shade cloth is loose. Ceiling is cracked in multiple rooms. Cracks in exterior wall and eaves. Dry rot on building skirting, siding, and covered walkway support cross beams.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	**Good**	Trip hazard on walkway. Skid paint is peeling on steps and ramp/decks Door sweep is broken. Vinyl is peeling throughout play structure. Slides are broken on play structure.
Overall Rating	**Fair 84.48%**	

School Facility Conditions and Planned Improvements

Our school was built in 2001. It has 34 regular classrooms, including eight portables, a library, a multipurpose room, four special education rooms, a new sensory room, and district-facilitated childcare. This year, we added modern, flex seating to our 5th-grade classrooms and the school library. We also purchased nearly 1,000 new books for our library and new playground equipment for all students to enjoy.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State Priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

Rice Canyon Elementary School recognizes the importance of family and community partnerships to serve the needs of our students best. Therefore, we encourage parents to be involved in their child's education. To ensure safety for all, parent support opportunities have changed to a virtual platform and include:

- Parent-Teacher Association (PTA) and PTA Sponsored events
- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)
- Running Club Supervision
- Student Council
- Weekly Friday Flag Ceremonies
- Volunteering in classrooms
- Various on-campus events such as Cookies with Santa

School Safety

SB187 Safety Plan

Date the plan was last approved: 8/10/2024
Date the plan was reviewed by staff: 11/15/2024

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291.5.

A progressive discipline plan is in place, and multiple discipline and Character Count assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously, and all leads are followed up immediately.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Discipline

A progressive discipline plan is in place, and multiple discipline and PBIS (ROAR) assemblies are conducted throughout the year. Seven campus supervisors also help maintain a safe environment. Our school Social-Emotional Coach and recently added Counselor assist with discipline and social-emotional needs. The WE TIP program is utilized so that students may report crime anonymously, and all leads are followed up immediately. School administration maintains an open-door policy to immediately address the needs and concerns of students, staff, and parents.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2021-22				2022-23				2023-24			
	Avg. Class Siz11e	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
Kindergarten	11.0	7			21.0	1	4		23.0		4	
Grade 1	16.0	6			19.0	4			29.0		3	1
Grade 2	12.0	6	3		20.0	4	1		20.0			
Grade 3	10.0	10			22.0	1	4		22.0	3	5	
Grade 4	14.0	6	2		24.0		4		27.0		4	
Grade 5	19.0	6	1	1	26.0		4	1	25.0		4	
Other					7.0	1			17.0	1	1	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development

Measure	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at **www.cde.ca.gov/ta/ac/sa/**.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at **www.cde.ca.gov/fg/aa/lc/**.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at **dq.cde.ca.gov/dataquest/** that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) **www.caschooldashboard.org/** reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines outlined in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have completed specified college course work, be eligible for admission to the UC. These requirements ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at **https://admission.universityofcalifornia.edu/**.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students living outside the local area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at **https://www2.calstate.edu/**.
