Principal's Message:

Dear Bison Family,

Welcome to this week! We have had an exciting week and we're not slowing down! We have been hearing a lot of positive feedback from the teachers and staff about students working to do the right thing this year when it comes to treatment of others, promptness, and finishing of work. That is great so far!

We meet regularly with community groups such as the Chamber of Commerce, Central MT Works, financial institutions, and other Great Falls business partners. In those meetings we reinforce our commitment to try to instill workforce related skills into our every life at GFH. We will continue to support career readiness competencies through the four years students are with us!

Go Bison!

Great Falls High School Historical Article Of The Week

JOHN L. SLATTERY

neutral citizens and in answer to the challenge that threatened her sovereignty and very existence, issued a call to arms.

Like the light of the morning sun, the spirit of that flag swept across our nation, and lads of every race and creed and from every walk in life responded eagerly to the call.

To that mighty host who gathered in defense of our national honor and our institutions, Great Falls high school contributed 375 of her patriotic sons. Most of these, after the success of our arms, returned to the pursuits of peace. Of their number, 10 have not come back. I call them now:

Fred C. Campbell, Herbert J. McNamara, John B. Cascaden, Clair Marsh, Francis K. Dugan, Sverre O. Monsos, John B. French, George S. Reisz, Harley H. Hamilton and Charles L. Watkins.

They answer not, for they sleep the sleep of the heroic soldier dead.

With tears for their sacrifice, sympathy for their relatives and with gratitude for their valliant achievements, it is eminently fitting that on this day the 12th anniversary of peace, we should here dedicate, in their memory and in recognition of the loyal service of their fellow students, this magnificent stadium.

Beneath this ever beautiful flag, this field, reflecting the broad vision and wisdom of the school trustees, is hereby so dedicated: henceforth to be known as "Memorial field." May it ever be a place of clean and manly games and exercises which shall inculcate and foster those virtues of loyalty, honor and patriotism, so nobly exemplified by the service of those 375 sons of Great Falls high school in the hour of their country's need.
