RANTOUL, ILLINOIS 61866

Megan Anderson

Assistant Superintendent
Eagle Academy Principal

Brooke A. Billings

Principal

Jenna Flessner

Dean of Students

Chris Dryer

Athletic Director

Dear Parents/Guardians,

You have shared with the District that your child has seizures. To better meet their needs at school we are asking that you have your child's physician complete the attached Seizure Action Plan and return it to the school. All student health information is confidential and will only be shared with the staff members that work with your child.

Please be aware, the District Guidelines require that Emergency Medical Services (911) be contacted for any student suffering a seizure during the school day. If you want us to do otherwise, we must have a copy of the attached Seizure Action Plan complete by your child's physician.

Should you have any questions or concerns regarding your child's health care needs at school please contact the District Nurse at 217-892-6123.

Sincerely,

April Jones, R.N.
